RE: Fiscal Impact Statement  
CB-29-2015 Minority Business Enterprise Certification

Pursuant to your request, we have reviewed CB-29-2015 to estimate its fiscal impact on Prince George's County, Maryland.

CB-29-2015 provides authority to the Executive Director of the Supplier Diversity and Development Division to decertify a business as a minority business enterprise for not maintaining fifty-one percent (51%) ownership by minority individuals or stockholders, and for not retaining a minority individual who controls the general management, daily business affairs and essential productive operations of the business.

Enactment of CB-29-2015 should not have an adverse fiscal impact on the County.

If you require additional information, or have questions about this fiscal impact statement, please call me.
