The COVID-19 pandemic has had a horrendous impact on the national economy and has created an eviction crisis nationwide. This crisis has made it necessary for the Governor of Maryland to declare a State-of-Emergency and to impose a moratorium on evictions to protect Maryland's citizens. However, the Governor's Executive Orders preventing evictions has not prevented rent increases for renters that are not able to prove that they are covered by the protections provided in CB-16-2020.

This bill will limit rent increases to a maximum amount of 2.6% annually for renters that are not covered by the Governor's State-of-Emergency declaration or the protections of CB-16-2020. It will be effective as of the date of the Governor's State-of-Emergency and the relevant Executive Orders and it will extend the protections up to 90 days after the Governor lifts the
