The Honorable Derrick Leon Davis
Chairman
Prince George's County Council
County Administration Building
Upper Marlboro, Maryland 20772

Dear Chairman Davis:

Enclosed for the County Council's consideration is a Resolution that expresses Prince George's County's support for declaring the week of September 19 through September 23, 2016, as Economic Development Week in Prince George's County, Maryland.

The Maryland Economic Development Association, the largest organization in Maryland representing economic development professionals at State and County levels, and in the private sector, will celebrate a statewide observance of Economic Development Week in Maryland. The week is designed to increase understanding of economic development's contribution to the State's business climate, job retention and growth, the tax base and the overall quality of life in Maryland. The State of Maryland, along with all 23 Counties and Baltimore City are being asked to observe Economic Development Week in recognition of the work of economic development professionals in attracting and growing the economy of the State and its Counties.

The Council's favorable consideration of this legislation is greatly appreciated. Should you have any questions, please contact my office or David S. Iannucci in my office at (301) 952-5867.

Sincerely,

Rushern L. Baker, III
County Executive
