Good morning:

Attached is a letter transmitting the Planning Board's favorable recommendation to the District Council on the Historic Site designation of two properties. Per Sec. 29-120.01, the Council has two months from the date of receipt to take final action on this matter. I understand the Council recess may affect this timing.

As always, Planning Department staff is happy to prepare a draft resolution for the Council's use and participate in a Committee of the Whole hearing as needed.

Thank you,
Tom Gross
