RE: CB-75-2021

The Office of Law has reviewed the above referenced **bill** as it was **introduced** on **September 14, 2021** and finds it to be in proper legislative form. The Office of Law defers to the MNCPP and ZHE memo as analysis for potential impediments to its enactment as currently drafted. Notably, the purpose clause and footnote language are not congruent, and thus the requirements described in the clause are not included in the proposed changes to the Prince George's County Code. At a minimum, this must be rectified.
