Council Resolution-32-1997 initiates the review process for the West Hyattsville and Prince George's Plaza Transit District Overlay Zones. Transit District Overlay Zones and Transit District Development Plans were adopted for these areas in 1992. The Plans will expire in July, 1998 if they are not implemented. This establishes a Task Force to review the existing plans and make recommendations for possible changes to the TDDPs for the Prince George's Plaza and West and West Hyattsville Transit Districts.

The Prince George's County Planning Board supports this resolution. The Legislative Officer find it to be in proper legislative form and the Acting County Auditor has determined that there should not be any negative fiscal impact on the County.

The Department of Public Works and Transportation has reviewed CR-32-1997 and would like to recommend that the Department be listed as a member of the TDOZ Community Work Group as well as the Parking Authority.

The Committee amended the bill by adding the Department of Public Works and Transportation and the Parking Authority to the TDOZ Community Work Group.
