BACKGROUND INFORMATION/FISCAL IMPACT:

During the 2022 Legislative Year, the Council adopted CR-032-2022, a Resolution to adopt the draft Climate Action Plan submitted by the County's Climate Action Commission. Although the County governing body embraced 26 recommended implementation strategies for Climate Action across the County Government, including a prioritization of these strategies as well as costs and proposed funding mechanisms, the adopted Resolution (CR-032-2022) also imposed a "sunset" date of December 31, 2023, absent further legislative action of the County. This Resolution will adopt, as permanent County policy, the Climate Action Plan by the County governing body.
