The Prince George's County Council convened as the Committee of the Whole on October 15, 2020 to consider CR-088-2020. As proposed CR-088-2020 will appropriate grants from Federal and/or State resources in the amount of \$553,372.64 for FY 2021. This request for additional appropriation will support new or continuing programs in the Departments of Social Services, Family Services, Public Works and Transportation and Health.

The Office of Law reports CR-088-2020 to be in proper legislative form with no legal impediments to its adoption.

The Policy Analyst group finds that the adoption of CR-088-2020 should have a positive impact on the FY'21 County budget by appropriating an additional \$378,438.00 in outside sources. The grant awards require a cash match of \$174,934.64.

After discussion, the Prince George's County Council, sitting as the Committee of the Whole, voted out CR-088-2020 favorably, 11-0.
