RE: Detailed Site Plan (DSP-21001) – Suffrage Point Lower lot

Dear Ms. Brown,

I am writing on behalf of the Hyattsville City Council to respectfully request a postponement of the scheduled hearing in the matter of Detailed Site Plan 21001 entitled *Suffrage Point Lower lot* scheduled for February 26th, 2024. Given the complexity of this application, we require more time to thoroughly review the pertinent documentation.

We emphasize that this request is made in the interest of safeguarding the environmental impacts of this application, as we are charged to uphold principles of environmental stewardship within our city. We believe that this extension is essential and will enable us to gather all necessary information to present our arguments effectively.

Furthermore, with the addition of our new City Planner, who will also be playing a significant role in the preparation and presentation of our case, we believe that a postponement of the hearing is necessary for him to familiarize himself thoroughly with the intricacies of the case.

We propose rescheduling the hearing for March 11th 2024. This timeframe will afford us the opportunity to address all pertinent issues comprehensively and present a well-founded case before the Council.

We are requesting that this be placed before the Council for consideration at the February 12th meeting.

Sincerely,

Robert S. Croslin
Mayor
