BACKGROUND INFORMATION/FISCAL IMPACT:

This bill governs utility permit issuance and utility permit requirements. Guidance is required as to applications of utility permits and there is a penalty for performing work without a utility permit. Notice of work under each utility permit is 15 days prior to commencement of work under the permit. The bill requires an informational sign to be posted and provides a fine for non-compliance. Pavement rehabilitation includes that when pavement is cut within an intersection, the mill and overlay requirements apply to the full surface area of the intersection and when the pavement is cut within a cul-de-sac the mill and overlay apply to the full surface area of the cul-de-sac.
