MEMORANDUM

TO: Donna J. Brown
Clerk of the Council

FROM: James Hunt, Division Chief
Development Review Division 

SUBJECT: Notification of Recommendation for Certification of Nonconforming Use

Permit Application Number: **35171-2023-U**

Specific Use(s): **Outdoor Advertising Sign (Billboard)**

Location of Property: **9116 Livingston Road
Fort Washington**

Current Zone(s): **C-M**

Sign Posting Date: **December 30, 2023**

Reason for Certification: **Certification of existing outdoor advertising signs is required pursuant to Council Bill 84-2016 which requires that applications for the certification of outdoor advertising signs in existence as of January 1, 2002, be filed no later than December 31, 2023. This outdoor advertising sign was erected in 1990.**

This is to advise that the above-captioned permit application relating to certification of a nonconforming use has been reviewed by this office. It has been found to fulfill the requirements of the Zoning Ordinance for administrative certification of the use in question, and no request for the Planning Board to conduct a public hearing was received within the time period specified on the public notice sign. Therefore, we are recommending that the use be certified as nonconforming.

The Maryland-National Capital Park and Planning Commission

PRINCE GEORGE'S COUNTY
Planning Department

1616 McCormick Drive, Largo, MD 20774 • pgplanning.org • Maryland Relay 7-1-1

Pursuant to Section 27-244(e) of the Zoning Ordinance (as amended by CB-78-1991), the District Council has the option of reviewing this recommendation, provided it votes to do so within 30 days of receipt of the recommendation. If you advise us that the Council has not elected to review this recommendation after expiration of the 30-day period, we will certify this use as nonconforming and transmit that action to the Department of Environmental Resources, so that the permit may be issued.

Statement of Justification

1. Case Name

NCU - 35171-2023

9116 Livingston Road

2. Description of proposed use/request

Certification of an outdoor advertising sign located at 9116 Livingston Road, Fort Washington, Maryland 20744 (the "Property"), as a nonconforming use.

3. Description and location of the subject property

The Property can be seen off to the right of Indian Head Highway running south, approximately 732 feet southwest of the intersection with Livingston Road. Specifically, the Property is located on Map 114, Grid A3, and is approximately 1.0640 acres in size. The Property is zoned C-M (Commercial Miscellaneous)

An outdoor advertising structure constructed on a metal post, containing two bulletin faces flagged out from said metal post, is located on the Property. Our documentary evidence demonstrates that the structure has existed on the Property since at least 1990.

4. Description of each required finding

In accordance with CB-84-2016, the applicant is required to certify the outdoor advertising signs located on the Property. *Section 27-244, Prince George's County Code* (the "Code"). Section 27-244(d)(2) of the Code states that "...if satisfactory documentary evidence described in Section 27-244(b)(2)(E) is received, the Planning Board's authorized representative shall recommend certification of the use as nonconforming...". The applicant has provided satisfactory documentary evidence in accordance with Section 27-244(b)(2)(E), which shows that the outdoor advertising signs were constructed prior to and have operated continuously since January 1, 2000.

5. Variance requests and required findings for each request

The applicant is not requesting a variance for the Property.

6. Summary/conclusion of request

Because the applicant has provided satisfactory documentary evidence in accordance with Section 27-244(b)(2)(E), the applicant respectfully requests that the Planning Board's authorized representative certify the outdoor advertising signs located on the Property as a nonconforming use in accordance with Section 27-244(d)(2).

GENERAL NOTES:

- 1) The accuracy of the distances shown from any structure to any apparent property line is ± 2'.
- 2) This drawing does not represent a Boundary Survey. Any property markers labeled property markers labeled hereon are not guaranteed by NTT Associates, Inc.
- 3) This plat is of benefit to a consumer only insofar as it is required by a lender, a title insurance company or its agent in connection with contemplated transfer, financing, or refinancing.
- 4) This plat does not provide for the accurate identification of property boundary lines, but such identification may not be required, for the transfer of title or securing financing or refinancing.
- 5) This plat is not to be relied upon for the establishment or location of fences, garages, buildings, or other existing or future improvements.
- 6) Unless noted on the drawing, no title report was provided. This drawing was prepared by examining the current title deed or record plat. Any easements, restrictions, rights of way, or any other property alterations not referred to in the current title deed may not be shown.
- 7) Unless otherwise noted, the bearings and north arrow shown hereon are in the meridian of the current title deed or record plat.
- 8) Building Restriction Line Information, if shown, was obtained from existing records only and is not guaranteed by NTT Associates, Inc.
- 9) Flood Zone Information shown on FIRI maps is subject to interpretation.
- 10) Improvements which in the surveyor's opinion appear to be in a state of disrepair or considered "temporary" may not be shown.
- 11) If it appears encroachments may exist, a Boundary Survey is recommended to determine the exact location of the property boundary lines and improvements.
- 12) The locations of fence lines, if shown, are approximate.
