REPORT:

Council staff gave an overview of the purpose of the resolution. CR-11-2015, transmitted by the Planning Board for the County Council's review and consideration, provides for a transfer of appropriations between certain projects in the FY2015 Capital Improvement Program for the Maryland-National Capital Park and Planning Commission (M-NCPPC) Department of Parks and Recreation. The Commission is requesting a capital budget transfer in the amount of \$650,000 and a budget amendment in the amount of \$129,000 for improvements at Largo Town Center Park. Based on recently received bids for park improvements to implement the full extent of the scope, the project requires an additional \$779,000 in funding. The proposal is to utilize \$572,905 in PayGo funding from Public Facilities Renovation and \$77,095 in PayGo funding from the Reserve Fund for Development. The request also includes the addition of \$129,000 in developer contributions to the project's budget.

The Office of Law reviewed CR-11-2015 and found it in proper legislative form with no legal impediments to its adoption. The Zoning and Legislative Counsel noted minor technical amendments which staff received direction to incorporate prior to adoption of the resolution.

Larry Quarrick, M-NCPPC Parks and Recreation, addressed the Committee providing details of the proposed Largo Town Center Park improvements. Charles Renninger, representing the Largo Civic Association, testified in support of CR-11-2015.
