FOR the purpose of determining the adequacy of the private right-of-way or easement serving the lot and single-family dwelling on property owned by Marilyn S. Ketts, and authorizing the issuance of a building permit subject to stated conditions.

WHEREAS, Section 8-118 of Article 28 of the Annotated Code of Maryland prohibits the issuance of a building permit in Prince George's County for any lot not located on a public road or a private right-of-way approved as adequate by the County's

governing body; and

WHEREAS, Section 24-128(c) of the Prince George's County Code (1991 Edition), authorizes the County Council, on recommendation of the County Executive, to approve by resolution the issuance of a building permit for a detached single-family dwelling on a lot having its sole frontage on or its only direct vehicular access to a private right-of-way or easement, upon a finding that the private right-of-way is adequate to serve the lot and proposed development thereon; and

WHEREAS, a petition has been received from Marilyn S. Ketts for approval of the issuance of a building permit for a single-family dwelling to be constructed on property known as Parcel 3, consisting of 205.41 acres, shown on Page 181, Grid A-D 2 of the current Tax Map, and further described in a deed recorded among the Land Records of Prince George's County, Maryland, in Liber 7608 at Folio 358; said property is zoned O-S/RCO and does not have frontage on a public right-of-way but will have access by means of a private 30 foot wide right-of-way known as At Last Farm Road which leaves St. Mary's Church Road approximately 4,329 feet from its intersection with Aquasco Road and proceeds 1,200 feet to the subject property; and

WHEREAS, the private right-of-way from St. Mary's Church Road has been designated by the Petitioner as the access for the subject property and has been reviewed for adequacy by the County's Department of Public Works and Transportation, which

has recommended conditional approval of a building permit for the subject property; and

WHEREAS, a site plan has been submitted to the staff of the Maryland- National Capital Park and Planning Commission and has been reviewed for conformity with Subtitles 24 and 27 of the Prince George's County Code (1991 Edition), and the plan has been determined to be in compliance with the Code; and

WHEREAS, the Petitioner has been advised that her property can be developed under the Resolution for a single-family dwelling, that Prince George's County will not be responsible for maintaining the private right- of-way which she has designated, and that she must comply with other provisions of the County Code, including Section 11-276, regarding access for emergency vehicles; and

WHEREAS, the owner of the subject property will record covenants reciting her understanding and obligation to maintain the private right-of- way which she has designated; and

WHEREAS, the County Executive has determined that the private right- of-way designated by the Petitioner will be adequate for the single-family dwelling, if all the conditions stated herein are satisfied, and the County Council concurs in this finding; now, therefore,

BE IT RESOLVED by the County Council of Prince George's County, Maryland, that the Department of Environmental Resources is hereby authorized to issue a building permit for a single-family dwelling on the property of Marilyn S. Ketts, property known as Parcel 3, on Page 181, Grid A-D 2 of the
