On July 1, 1993, the MIN-MAX system that was in effect for all members of the bargaining unit was replaced by the following modified MIN-MAX system:

H. Salary rate upon demotion shall be governed by Section 16-132 of the Personnel Law in accordance with the following:

The new rate shall be obtained by dividing the current rate by the sum of one (1) plus the percentage increase previously advanced upon promotion (or the sum of the percentage increases of successive promotions if the person has been demoted more than one grade and has served in the intermediate grade). Such percentage should be obtained from the promotional EAN(s) by subtracting the hourly rate before promotion from the hourly rate immediately after promotion and dividing the remainder by the rate before promotion. The quotient shall be rounded to the third decimal place.

I. (1) Employees, who are red-circled at rates of pay beyond the maximum rates in effect on June 30, 1990 or June 30, 1991, respectively, and whose rates fall below the new maximum rates effective on July 1, 1990 or July 1, 1991, respectively, will no longer be red-circled and will be eligible to receive further merit increases in the manner described in paragraph D., above.

III. Merit Increase for Fiscal Year 1996

No employee covered by this Salary Schedule will receive a merit step (anniversary) increase during the period from July 1, 1995 through June 30, 1996.

IV. Cost of Living Adjustment for Fiscal Year 1996

No employee covered by this Salary Schedule will receive a cost of living adjustment during the period from July 1, 1995 through June 30, 1996.

V. Workweek

The workweek is the seven (7) consecutive day period commencing at 12:01 a.m. Sunday, and ending the following Saturday midnight.

Shift employees covered under this Salary Schedule will work a forty- two (42) hour

workweek. Straight day work employees shall work a forty (40) hour week.

VI. Work Schedules

A. Shiftwork Personnel - Stations

Shiftwork personnel who work a "24/72 hour" shift are covered by the Memorandum of Agreement Between Prince George's County Fire Department and Local 1619 I.A.F.F., signed on June 3, 1981.

B. Straight Day-Work Personnel in all Stations

Employees assigned to straight day work will work five (5) eight (8) hour days, normally Monday through Friday, thus equaling forty (40) hours. All day shifts shall commence at 0700 hours except that one shift per station may be required to start at 0900 hours.

C. Non-Station Personnel

Day work employees shall continue to work their existing shifts; shiftwork employees shall continue to work existing shifts.

VII. Leave Provisions

A. Sick Leave

All full-time employees earn four and one-half (4 1/2) hours of sick leave each pay period with a periodic adjustment to ensure that each employee earns fifteen (15) days of sick leave each leave year through the duration of County service. Each such day shall constitute eight (8) hours.

Employees who work on a year-round part-time basis for forty (40) or more hours per pay period shall accrue sick leave in proportion to the hours working during each pay period.

B. Unused Sick Leave

Upon termination of County employment for nondisciplinary reasons (including but not limited to retirement, disability and death) employees shall be entitled to a lump sum cash payment for unused sick leave. The amount of the cash payment shall be determined by taking each individual's total accrued number of unused sick leave hours as of his/her termination date, multiplying by his/her final base hourly rate of pay and dividing that product by two. The number so obtained shall be further multiplied by a fraction, the numerator of which shall be the number of years of actual service and the denominator of which shall be twenty (20). However, if a fire fighter with less than twenty (20) years of actual service

terminates employment as a result of death or disability, he/she shall receive a fifty percent (50%) cash out of unused sick leave regardless of years of service.

C. Annual Leave

Full-time employees shall earn annual leave on the following basis:

Zero (0) through three (3) years of service	Four (4) hour per pay period.
Four (4) through fifteen (15) years of service ensure that each employee	Six (6) hours per pay period with periodic adjustment to earns twenty (20)
After fifteen (15) years of service and above	Eight (8) hours per pay period.

days.

Employees who work on a year-round part-time basis for forty (40) or more hours per pay period, shall earn annual leave in proportion to the hours worked during each pay period.

D. Annual Leave: Carryover and Lump Sum Payment

Employees covered under this Salary Schedule may carry over up to one hundred thirty (130) days of annual leave to the following annual leave year. Employees upon request may convert any annual leave in excess of one hundred thirty (130) days to sick leave at the end of an annual leave year.

Employees covered by this Salary Schedule who terminate employment shall receive a lump sum cash payment for the annual leave balance credit accumulated through the last full pay period immediately prior to an employee's separation. Employees who qualify may elect to purchase additional service credit as provided in Section 7.9 of the Agreement.

E. Leave of Absence

Leave without pay may be granted for up to one (1) year when just cause for such leave is shown by the employee. Such leave shall be requested in writing and shall be subject to approval by the County Fire Chief or his designee and such approval shall not be unreasonably withheld. The County Fire Chief has the right to set reasonable limits on such leave.

F. Injured-On-The-Job Leave

When an employee is ordered off the job or ordered to light duty by his/her physician or by the County Fire Chief due to work-related illness or injury, the employee will be placed on I.O.J. leave until his/her disability is either medically proven to be nonservice connected or until retired.

The employee shall not be charged with using his/her own accrued leave when ordered off duty as prescribed in the above paragraph except in those cases where the illness or injury is proven to be nonservice connected, and then only from the date that the employee is notified of the findings in writing; nor will leave used because of injuries or sickness sustained as a result of employment in the Prince George's Fire Department be charged against an employee's sick or annual leave. The employee will remain on I.O.J. leave until released by the attending physician for prescribed duties, or returned to work by decision of the Disability Review Board (in administrative session or in review of an appeal) or retired if the disabling injury cannot be corrected.

G. Shift Work Leave

Each employee on the night and weekend shifts shall be entitled to one (1) shift off per month, not to be accumulated from month to month, and an additional six (6) shifts off to be used during the year not to include vacation leave. Shift work leave shall be charged against his/her accrued annual or compensatory leave. Any portion of a shift in excess of four (4) consecutive hours shall constitute a shift.

H. Day Work Leave

Straight day personnel shall be granted four (4) hours compensatory leave every three (3) months.

I. Personal Leave

Two (2) paid personal leave days per leave year shall be granted to each employee eligible for annual leave. A personal leave day shall be requested and approved in advance of use. There shall be no accumulation of personal leave days and unused personal leave shall be forfeited at the end of the leave year or upon termination of employment.

J. Bereavement Leave

Members of the Unit shall be entitled to use accumulated sick leave for the purpose of bereavement when a death occurs in a member's family. A maximum amount of sick leave used shall not normally exceed three (3) working days. The term "family" shall mean and include the member's spouse, child, sister, brother, parent, grandparent and aunt or uncle. Leave needed beyond three (3) days because of travel distance, religious requirements or other extenuating circumstances may be extended on a case-by-case basis, but in no instance shall

such bereavement leave be approved beyond seven (7) working days. Effective with the 1994 leave year, the first three (3) days of bereavement leave taken upon the death of a parent, spouse or child will be administrative leave rather than sick leave.

K. Additional Leave

In the event the County Executive grants administrative leave to nonessential County employees because of extreme inclement weather or other hazardous working conditions, which may prevent employees from reporting to work or which may require early release from work, those employees required by the Fire Department to perform duties will be entitled to receive one hour of compensatory time for each hour worked during the emergency, in addition to any pay to which they are entitled for that period.

L. Conference and Seminars

Members of the bargaining unit shall be granted time to attend conventions and conferences without loss of pay or leave with prior approval of the County Fire Chief (not to be unreasonably withheld), and further provided that such meetings shall not exceed six (6) per fiscal year and that not more than four (4) union members request such approval. The County Fire Chief will be notified thirty (30) days in advance of such meetings. Notice of less than thirty (30) days will be accepted where there are unusual circumstances which prevent giving thirty (30) days notice. In no event shall notice be less than seven (7) days.

M. Leave for Negotiations

Employees (not to exceed five (5) in number) who, upon request of the Union, are excused from their regular assignment for the purpose of participating in negotiation sessions with representatives of the County, shall suffer no loss of pay or leave.

N. Union President Leave

The President of the Union shall be granted administrative leave with pay as may be required for the purpose of discharging his official duties as Union President.

O. Administration of Leave

The provisions governing the administration of the above types of leave as well as other types of leave (holiday, administrative, military, military leave without pay, disability, leave without pay, absence without leave, compensatory) are specified in Division 17 of the Personnel Law and applicable Administrative Procedures, unless otherwise specified in this schedule or the contract.

VIII. Pay in Excess of Base Salary

A. Acting Pay

When an employee assumes a higher rank in an acting capacity, for a period of greater than seven (7) consecutive days, he/she shall be paid at a rate of pay which is equivalent to a one-step increase or the minimum necessary to place the employee at the entry level rate of the higher grade, and shall continue to be paid at that rate until relieved by the person for whom he/she is acting, or by a person of rank equal to that position, who is permanently assigned to that station or bureau. Beginning with the forty-sixth (46th) consecutive day in such acting capacity, an employee shall be paid at a rate of pay which is ten percent (10%) above his/her regular rate of pay or the minimum necessary to place the employee at the entry level rate of the higher grade, whichever is greater, while he or she continues to work in the acting capacity.

Where the Department elects to replace an employee receiving acting pay under this provision with another employee who works in an acting capacity, the new acting employee will begin receiving acting pay immediately. Further, in such circumstances, the forty-five (45) days contemplated by paragraph two, above, shall be cumulative (the new employee will receive credit for the time both he/she and the other employee worked in an acting capacity). The Department agrees that it will normally select the person who is highest on the current promotional list for the rank equal to the acting position when exercising its right to replace an employee in acting status under this provision, and it will bypass the next person on the promotional list for acting duty only when prudent operations require it.

B. Call-Back Pay

An employee who is called back to work from off-duty, and does in fact perform duties in behalf of the Prince George's County Fire Department during his/her normal off-duty hours, by career officers authorized by the County Fire Chief, shall be paid the minimum of four (4) hours at one and one-half (1 1/2) times his/her regular rate of pay. This provision shall not apply to administrative hearings or disciplinary procedures. However, management will attempt to schedule such hearings and/or procedures during the normal duty hours of the employee; or, at a time mutually agreeable to both parties.

C. Early Reporting Time

An employee who is called in to work by career officers authorized by the County Fire Chief for two (2) hours or less immediately before his/her normally scheduled starting time shall be paid for such hours at one and one-half (1 1/2) times his/her regular rate of pay and will be paid his/her regular rate of pay beginning with his/her regular starting time. The Call-Back provision shall apply to an employee called into work more than two (2) hours immediately before his/her regularly scheduled starting time.

The following shall be designated as holidays for employees covered under this Salary Schedule:

For the purpose of this Section the Christmas Day holiday shall apply to all employees who work during the twenty-four (24) hour period beginning at 1700 hours on December 24 and the New Year's Day holiday shall apply to all employees who work during the twenty-four (24) hour period beginning at 1700 hours on December 31.

If an employee works on a designated holiday, he/she shall be paid at the rate of time and one-half (1 1/2) his/her regular rate of pay for all hours worked on the holiday plus an additional eight (8) hours at the regular rate, and the employee shall not receive an additional day off.

If an employee is required to work on a holiday which coincides with his/her regularly scheduled day off, he/she shall be compensated at the rate of one and one-half (1 1/2) times his/her regular rate of pay for all hours worked, and he/she shall also receive eight (8) hours holiday pay. In addition, shift personnel who are required to work on a holiday which coincides with their regularly scheduled day off shall earn twelve (12) hours of compensatory time.

During FY96, the holiday pay provisions contained in the two paragraphs immediately above will be adjusted as follows:

If an employee works on a designated holiday, the employee shall be paid at one (1) time his/her regular rate of pay and receive one-half (1/2) hour of compensatory leave for all hours worked on the holiday plus an additional eight (8) hours at the regular rate as holiday pay, and the employee shall not receive another day off.

If an employee is required to work on a holiday which coincides with his/her regularly scheduled day off, he/she shall be compensated at the rate of one (1) time his/her regular rate of pay and receive one-half (1/2) hour of compensatory leave for all hours worked, and he/she shall also receive eight (8) hours holiday pay. This additional pay is to compensate Bomb Technicians in lieu of overtime for attendance at required continuing education and skills maintenance sessions and Paramedics in lieu of overtime for attendance at required continuing education and skills maintenance sessions required to maintain their certification level to CRT. In addition, any Fire Fighter/Paramedics who are certified as EMT-P shall receive an additional two percent (2%) for continuing education required to maintain their EMT-P certification level. Special duty pay shall apply only as long as the Fire Fighter is assigned duties of a Bomb Technician or a Paramedic.

(2) The special duty pay described above will be added to the base pay. It is understood that base pay does not include EIP payments and EIP payments are not computed based on base pay.

F. EMT Pay

G. Stand-By Duty

There shall be two (2) tours of stand-by duty:

An employee who is called back to active duty while on standby will receive no standby pay for the day on which the active duty was performed.

This Section shall not apply to unusual circumstances which result in the Department's Emergency Operation Plan being placed into effect, provided that when a "yellow alert" is in effect for seventy-two (72) hours those affected employees shall receive one (1) day's pay. In addition, affected employees shall be compensated at a rate of one day's pay for each subsequent seventy-two (72) hours on alert.
