The Prince George's County Council, sitting as the Committee of the Whole, convened on March 24, 2026, to consider CR-019-2026, a resolution concerning the Local Impact Grant Funds Multiyear Spending Plan for the purpose of transmitting the Local Impact Grant Funds Multiyear Plan to the County Council for review and approval.

Council staff provided an overview of the legislation and its purpose: to transmit the Local Impact Grant Funds Multiyear Plan to the County Council for review and approval. This legislation has been reviewed by the Local Development Council, and this is the last step prior to adoption.

The spending plan details the planned use of video lottery terminal taxes from FY 2026 to FY 2028 and includes funding for the following: Employ Prince George's, Second District Community Development Corporation, Prince George's Community College, Town of Forest Heights, Local Development Council, Boris Henson Foundation, The Store House, Strategic Housing Solutions, Church of Adullam, Victory Church International, County Council Administration-audits and program services, including various Community Impact Grants.

The adoption will approve a spending plan for the State's local impact grant funds. Fiscal Year 2026 expenditures are appropriated in the current approved operating budget, and expenditures for future years will be subject to appropriation in the budget process.

After discussion, Prince George's County Council, sitting as the committee of the whole, voted 7-0 in favor, as amended.
