Thank you for the opportunity to comment on this legislation. I would suggest the following minor revisions:

1. On page 2, line 3, insert "Annotated" after "Maryland Code".
2. On page 4, line 12, delete "during human habitation, of each common area" or revise it to better address the sponsors' intent since it could be interpreted as requiring these measures when common areas are used for human habitation and that is never supposed to occur.
3. On page 4, line 22, capitalize the "s" in "section".
4. On page 4, line 26, delete "made" and insert "in".
