B. Merit Increases

To be determined once negotiations are completed.

Effective beginning on July 1, 1999, any police officer covered by this Agreement who complete eighteen (18) years of actual and continuous service as defined in the Police Pension Plan but who is not at the step for his/her rank on the Uniform Wage Scale which reflects the completion of eighteen (18) years of service will be placed at that step on the date upon which the officer has completed eighteen (18) years of service, and the officer's anniversary date will be changed, if necessary, to reflect his/her date of hire.

Effective beginning in the second pay period after issuance of the arbitration any police officer covered by this Agreement who has completed twenty (20) years of actual and continuous service as defined in the Police Pension Plan but who is not at the step for his/her rank on the Uniform Wage Scale which reflects the completion of twenty (20) years of service will be placed at that step, and the officer's anniversary date will be changed, if necessary, to reflect his/her date of hire.

3. UNIFORM WAGE SCALE

Effective July 2, 1989, the current modified "MIN-MAX" system in effect for all members of the bargaining unit will be replaced by the Uniform Wage Scale contained in the Agreement and described below.

A. DESCRIPTION OF THE UNIFORM WAGE SCALE

1. For each rank of police officer in the bargaining unit, there is established a pay grade containing fifteen (15) pay rates (steps) ranging from Step 0 through Step 14: Police Officer - L01; Police Officer First Class - L02; Police Corporal - L03; Police Sergeant - L04; and, Police Lieutenant - L05. The percentage values of the intervals between steps are three and one-half percent (3.5%) from Step 0 through Step 11 and three percent (3%) for the three remaining intervals from Step 11 through Step 14.

2. An employee will be eligible to advance to the next step for his/her rank on his/her anniversary date at the rate of one (1) step per year up to and including Step 12, provided that he/she receives at least a satisfactory performance evaluation for the preceding year. After reaching Step 12, an officer will be eligible to advance to Steps 13 and 14 after three (3) years of service at each step (that is, after having completed fifteen (15) and eighteen (18) years of service, respectively), provided that his/her performance for the applicable period has been evaluated as satisfactory.

3. Employees covered by the Agreement and hired before July 1, 1987 will keep the anniversary dates that they held on July 1, 1987 for as long as they are continuously employed. Employees hired on or after July 1, 1987 will have as their anniversary dates the dates of their initial appointment and those anniversary dates will not be changed while those employees are continuously employed. Effective June 30, 1996, the County will adjust each officer's anniversary date to the earlier of the Officer's date of hire or current anniversary date.

4. Upon promotion to the rank of Police Officer First Class or Police Corporal, an employee's salary rate shall be increased to that of the corresponding pay step for the promotional grade (that is, an increase equivalent to two (2) three and one-half percent (3 1/2%) steps). Officers hired on or after July 1, 1995, will be eligible to take the Police Officer First Class (PFC)

examination after they have completed three (3) years as a Prince George's County Police Officer (now eighteen months) and will be eligible to take the Police Corporal exam after completing two (2) years of service as a Prince George's County Police Officer First Class (now sixteen (16) months). Corporals will be eligible to take the Sergeant's examination after completing sixteen (16) months of service as a Prince George's County Corporal; Sergeants will be eligible to take the Lieutenant's examination after completing one (1) year of service as a Prince George's County Sergeant; Lieutenants will be eligible to take the Captain's examination after completing one (1) year of service as a Prince George's County Lieutenant. The parties also agree that time spent by a bargaining unit member in an acting capacity in a higher rank does not meet the required time periods described in this paragraph. The parties further agree that an officer who is demoted to a lower rank must meet these time-in-grade requirements with service in the applicable rank that is completed after the demotion.

5. Upon promotion to the rank of Sergeant or Lieutenant, an employee's salary rate shall be increased to that of the corresponding pay step for the promotional grade (that is, a ten percent (10%) increase).

B. IMPLEMENTATION OF THE UNIFORM WAGE SCALE

1. FY90: Effective July 2, 1989, employees covered by the Agreement, after receiving the four percent (4%) cost of living adjustment, will be placed on the Uniform Wage Scale at the step for their rank which is immediately above their annual salary.

2. However, an officer whose salary, when adjusted for the four percent (4%) cost of living adjustment, exceeds the maximum salary payable at his/her rank will be red-circled at that salary, and will continue to be red-circled. Further, an officer who was hired at a rate of pay greater than the entry rate will be placed on the pay scale pursuant to the foregoing rules and will maintain the resultant step differential.

3. On their anniversary dates during FY90, all officers will receive a one step anniversary increase (either three and one-half percent (3.5%) or three percent (3%), depending on their July 2 placement on the Uniform Wage Scale) to the next step on the Uniform Wage Scale unless the officer is at Step 14.

4. FY91: On their anniversary dates during FY91, an officer below the step which would be warranted by his or her years of service will be placed at that step. An officer who was hired at a rate of pay greater than the entry rate will be placed on the pay scale pursuant to this rule so as to maintain the resultant step differential.

C. MODIFICATION OF UNIFORM WAGE SCALE - EFFECTIVE JULY 1, 1994

1. Effective July 1, 1994, the Uniform Wage Scale is modified as follows:

a. For each rank of police officer in the bargaining unit, there is established a pay grade containing fifteen (15) pay rates (steps) ranging from Step A through Step O.

b. Grade L01 is the pay grade for the rank of Police Officer. The percentage values

of the intervals between the steps are three and one-half percent (3.5%) from Step A through Step L and three percent (3%) for the remaining three intervals from Step L through Step O. The entry rate for a Police Officer is Step A. A Police Officer (L01) will be eligible to advance to the next step for that rank on the officer's anniversary date at the rate of one step per year up to and including Step N (after thirteen (13) years), provided he or she receives at least a satisfactory performance evaluation for the preceding year. After reaching Step N, a Police Officer (L01) will be eligible to advance to Step O after two (2) years of service at Step N (that is, after having completed fifteen (15) years of service), provided that the officer's performance for the applicable period has been evaluated as satisfactory.

c. Grades L02 through L05 are the pay grades for Police Officer First Class (L02), Police Corporal (L03), Police Sergeant (L04) and Police Lieutenant (L05). The percentage values of the intervals between the steps are three and one-half percent (3.5%) from Step A through Step K and three percent (3%) for the remaining intervals from Step K through Step O. Officers in the ranks of Police Officer First Class through Police Lieutenant will be eligible to advance to the next step for their rank on the officer's anniversary date at the rate of one step per year up to and including Step M (after thirteen (13) years) provided he or she receives at least a satisfactory performance evaluation for the preceding year. After reaching Step M, officers in the ranks of Police Officer First Class through Police Lieutenant will be eligible to advance to Step N after two (2) years of service (that is, after having completed fifteen (15) years of service) and to Step O after three (3) years of service at Step N (that is, after having completed eighteen (18) years of service).

d. Upon promotion to the rank of Police Officer First Class (L02) or Police Corporal (L03), an employee's salary rate shall be increased to the rate of pay at the step of the promotional grade that will provide an increase equivalent to two (2) three and one-half percent (3.5%) steps. Upon promotion to the rank of Sergeant (L04) or Lieutenant (L05), an employee's salary rate shall be increased to that of the corresponding pay step (for example, Step J to Step J) for the promotional grade (that is, a ten percent (10%) increase).

D. IMPLEMENTATION OF MODIFIED UNIFORM WAGE SCALE

FY95: 1. On July 1, 1994, every officer will be assigned to the pay step for his or her rank on the modified Uniform Wage Scale with a salary rate identical to the officer's salary rate on June 30, 1994.

2. On his or her anniversary date in Fiscal Year 1995, every officer will be eligible to advance to the next step on the modified Uniform Wage Scale, provided that the officer's performance for the applicable period had been evaluated as satisfactory.

2. Effective beginning on July 1, 1999, any police officer covered by the Agreement hired before July 1, 1996, who completes eighteen (18) years of actual and continuous service as defined in the Police Pension Plan but who is not at the step for his/her rank on the Uniform Wage Scale which reflects the completion of eighteen (18) years of service will be placed at that step on the date upon which the officer has completed eighteen (18) years of service, and the officer's anniversary date will be changed, if necessary, to reflect his/her date of hire.

Hourly rates are January 5, 2020 rates multiplied by 101.5%. For administrative purposes, the hourly rates are the controlling rates. Biweekly rates are the hourly rates multiplied by 80 and rounded to the nearest cent. Annual rates are the hourly rates multiplied by 2080 and rounded to the nearest dollar.

5. WORKWEEK

The workweek is the seven (7) consecutive day period commencing at 12:01 a.m. Sunday, and ending the following Saturday at midnight. The standard number of hours in a workweek shall be forty (40) hours. Although full-time employees assigned to shift work may not work exactly forty (40) hours in a workweek, the number of hours in the workweek of employees on such rotating shifts shall average forty (40) hours a week over the year.

6. WORK SCHEDULES

Work schedules mean written schedules of the required daily hours of work within a workweek prescribed by an Appointing Authority as established by Charter for individual employees and/or various groups or units of employees under the Appointing Authority's jurisdiction as approved pursuant to Section 16-114 of the Personnel Law.

7. DESIGNATION OF MEAL PERIODS

Employees assigned to shift work schedules averaging 40-42 productive hours shall be eligible for a meal period, as defined by the Appointing Authority as established by Charter, within the productive workday.

8. ACTING PAY

A. When an employee below the rank of Captain is asked to assume, and does in fact assume, the duties of a Sergeant (or higher rank) in an acting capacity for a period of ten (10) consecutive days or more (including scheduled days off, approved holidays, approved sick leave of two (2) days or less, and approved emergency annual leave, but excluding time for which an employee is otherwise on leave status), he/she shall receive, retroactive to the first day in the acting capacity, a rate of pay equal to the rate he/she would receive upon promotion to the acting rank. In addition, he/she shall continue to be paid that rate until relieved of the position by the person for whom he/she is acting, or by a person of rank equal to that position, or by a superior authority. He/She shall not, however, receive acting pay after being on leave status for more than five (5) consecutive days, and provided further that no acting pay is authorized for any employee who is acting in the absence of another employee who is on extended approved leave for the purpose of F.O.P. 89 business.

B. Acting Pay Pending Promotions:

Acting Pay Pending Promotions: All vacancies caused by permanent departure from the Department -- retirement, discharge or promotion -- will be filled within ninety (90) days of the vacancy, or within thirty (30) days of the establishment of an eligibility list, whichever occurs later. If the vacancy is not permanently filled within this time frame but subsequently filled, the first person on the eligibility list (or subsequent persons depending on the number of vacancies) will be retroactively promoted from the ninety-first (91st) day of the creation of the vacancy, or the thirty-first (31st) day after the establishment of the eligibility list, whichever is applicable. The Department has the authority to eliminate the position during the ninety (90) day period, or within thirty-days of the establishment of the eligibility list. However, if the position is restored, the first person on the promotional list (or subsequent persons depending on the number of vacancies) will be retroactively promoted from the ninety-first (91st) day of the creation of the vacancy, or from the thirty-first (31st) day after the establishment of the eligibility list, whichever is applicable. Upon the establishment of an eligibility list, the County will provide to

the F.O.P. a list of the names of officers, in order of finish but without scores, on each final eligibility list.

C. The Department and F.O.P. 89 agree to continue the past practice governing the relationship between the disciplinary process and promotional process. An otherwise eligible candidate for promotion who is under investigation that could lead to serious disciplinary action (defined as discharge from employment suspension from employment without pay or benefits, or demotion in rank) shall have his or her promotion held in abeyance pending the final outcome of the investigation and the imposition of any serious disciplinary action. During that period, the next candidate on the eligibility list will be offered the acting position as a temporary position and will be entitled to acting pay under Section 4.04. If this candidate refuses the transfer to acting position, the Department will not be required to offer the acting position to the next candidate on the eligibility list and contractual obligations will be satisfied so long as another officer is given the acting position and acting pay. Once the final outcome of the investigation and disciplinary action is known and the first candidate is deemed qualified for promotion, he or she will be promoted retroactive to the date that he or she would otherwise have been entitled to the promotion had an investigation not been commenced or continued. The promoted candidate will assume the vacancy and the next candidate, who temporarily assumed the vacancy in an acting role, will be returned to his or her previously held position, if at all feasible or to the most similarly situated position available in the Department.

9. STANDBY PAY

An officer who is directed by Management to stand by during off duty hours and who does stand by as directed shall receive twelve and one-half percent (12.5%) of the officer's base hourly straight time rate for all hours on standby, provided, however, that an officer who is called back to active duty while on standby shall receive no standby pay for up to a sixteen (16) hour period of time that the employee was on standby.

10. CALL-BACK PAY

A. An employee who is called back to work from off-duty and does in fact perform duties on behalf of the Prince George's County Police Department during his/her normal off-duty hours shall be paid for a minimum of three (3) hours at one and one-half (1.5) times his/her regular rate of pay. This provision shall not apply to administrative hearings or disciplinary procedures. However, Management will attempt to schedule such hearings and/or procedures during the normal duty hours of the officer, or at a time mutually agreeable to both parties.

B. Where an officer is required by the Department to appear as a witness on behalf of the Department at a Trial Board or at a Joint Appeal Board pursuant to Article 14 of the Agreement (Promotion Procedures), the Department, where feasible, will adjust the officer's work schedule to permit the officer to appear during scheduled work hours. Where that is not feasible, the officer will be compensated in compensatory leave at the straight time rate for the time the officer is required by the Department to appear unless applicable Federal or State Law requires otherwise. When the Department requires an officer to attend a trial board during off duty hours as a witness on behalf of the charged officer, the witness will receive compensatory leave at the straight time rate for the time he/she is required to attend the trial board.

11. COURT TIME COMPENSATION

The following provisions govern compensation for court time when an officer is off duty:

- A. When an officer is required to attend court or judicial proceedings while off duty, said officer shall be paid at time and one-half his/her normal rate of pay and shall be guaranteed a minimum of three (3) hours at time and one-half (i.e., four and one-half hours).
- B. In determining the number of hours beyond three (3) that an officer is entitled to, the clock shall begin to run when an officer is first required by subpoena or otherwise to attend court or judicial proceedings and shall continue without interruption throughout the day until the end of the last court appearance of the officer that day.
- C. For court time beyond three (3) hours, the officer shall be compensated in thirty (30) minute segments as described below:

Time Beyond 3 Hours	Hours of Pay Pursuant to Paragraphs 2 & 3
0-15 minutes	0
16-45 minutes	30 minutes
46-60 minutes	60 minutes

- D. An officer may elect to take compensatory time in lieu of compensation for all hours or partial hours earned.
- E. An officer has sixty (60) days to use such court earned compensatory time. If the officer does not use or is unable to use such compensatory time within sixty (60) days or if he/she is denied the use of compensatory time on two occasions, he shall be entitled upon request to receive court time compensation payable in the manner described above.
- F. An officer involved in court or judicial proceedings during a regular assigned tour of duty and required to remain at the proceedings as an extension of his/her normal work day shall receive overtime pursuant to Section 4.08 of the Bargaining Agreement.
- G. An officer who is required to attend Court or a judicial proceeding while off duty and who would otherwise be eligible for court time compensation under Section 4.10 may elect to remain on telephone standby without compensation so long as the officer makes the necessary arrangements with the State's Attorney's Office.

12. HOLIDAY ADMINISTRATION

A. HOLIDAYS AND HOLIDAY PAY

1. The Personnel Law establishes the regular holidays for County employees including those employees covered by this Salary Schedule. "Police Memorial Day" will be recognized and observed on May 15 of each year as a County holiday for employees covered by this Salary Schedule.
2. Eligible employees shall receive straight time pay for each of the designated holidays on which

they perform no work.

3. Effective December 15, 2013:

- b. If the holiday falls on the officer's normally scheduled day off, the officer will not receive an extra day's pay, but the officer may elect another day off or one-half (1/2) the number of hours in the officer's normal daily work schedule in annual leave.

B. HOLIDAY WORK SCHEDULING

1. Bargaining unit members assigned to work shift work in the Patrol Services are entitled to the opportunity to work all holidays on which they are normally scheduled to work, and will be paid for those holidays actually worked pursuant to the provisions of the Agreement.

2. Bargaining unit members assigned to the Support Services Bureau, except for the Technical Services Division, are entitled to the opportunity to work at least seven (7) holidays during each fiscal year, provided that the holidays fall on their regularly scheduled work days, and will be paid for those holidays actually worked pursuant to the provisions of the Agreement. The determination as to which observed holidays bargaining unit members covered by this paragraph are actually scheduled to work will be determined by the Department, consistent with operational needs. The seven (7) holidays referenced in this paragraph are meant as a minimum, and officers covered by this paragraph may be scheduled by management to work more than seven (7) holidays in a year when needed.

3. Bargaining unit members assigned to the Strategic Management Bureau, the Technical Services Division, the Office of the Chief, or the Patrol Services Bureau in a non-rotating shift function, are entitled to the opportunity to work at least four (4) holidays during each fiscal year and will be paid for those holidays actually worked pursuant to the provisions of paragraph A above. C. HOLIDAY OBSERVANCE

Whenever Christmas Day, New Year's Day or July 4th falls on a weekend and is celebrated by the County on the preceding Friday or following Monday, employees who work either on the day the holiday falls or on the day it is celebrated shall be treated as working on a holiday as provided in paragraph A above. Employees who work both the day the holiday falls on and the day it is celebrated shall be entitled to paragraph A benefits only as to the first such day worked.

13. OVERTIME PAY

Any employee who is authorized to and who works in excess of his/her regular scheduled hours shall have the option of receiving pay at the rate of one and one-half (1.5) hours for each overtime hour worked or the option of receiving compensatory time at the rate of one and one-half (1.5) hours for each overtime hour worked. All leave with pay shall be considered time worked in the computation of overtime.

14. SHIFT DIFFERENTIAL

A. A shift differential shall be paid for all time worked on the first (1st) shift (i.e., night shift – 2200 hours to 0800 hours) to each employee specifically assigned to work the first (1st) shift. Effective the first full pay period beginning on or after July 1, 2016, the first shift differential will be increased to three dollars and forty cents (\$3.40) per hour. Effective the first full pay period beginning on or after July 1, 2017, the first shift differential will be increased to three dollars and sixty cents (\$3.60) per hour. 27. F.O.P. LODGE 89 PAC PAYROLL DEDUCTION

The County agrees to deduct on a biweekly basis from the payroll checks of employees covered by this Salary Schedule who so request in writing voluntary contributions to the Fraternal Order of Police Lodge 89, PAC fund. F.O.P. 89 agrees to indemnify and hold harmless the County from any loss or damages arising from the operation of this provision.

28. PAY PLAN POLICY STATEMENT

It is the policy of the County that benefits afforded to employees in the Salary Schedule are governed by the specific salary schedule to which an employee is currently assigned. If an employee is transferred, promoted, demoted, or in any way moves from one Salary Schedule to another, any benefits unique to or expressly a function of the former Salary Schedule are not carried over.

29. PENSION PLAN

A. Hold Harmless Benefit Calculation

Any plan member who retires during Fiscal Years 2019 or 2020 (that is, from July 1, 2018 through June 30, 2020) and who otherwise would have been eligible to receive a merit increase during Fiscal Year 2016 or 2017, will be held harmless for the purpose of pension benefit calculation and thus be treated as if the member had received the merit increase on schedule.

B. Pension Modifications for Surviving Spouses

Effective July 1, 2016, the spouse of a Participant with fifteen or more years of Actual Service but less than twenty years of Actual Service who dies while an Employee shall receive a monthly benefit for the spouse's life in an amount equal to the benefit the spouse would have received if the Participant had terminated employment on the day before the date of death and then survived until the Normal Retirement Date and elected joint and 50% contingent annuitant benefit with the spouse named to receive the benefit. The spouse's benefit shall be payable as of the first day of the month following the Employee's death, and there shall be no actuarial reduction for payment prior to what would have been the Participant's Normal Retirement Date.

Effective July 1, 2016, the spouse of a Participant who dies at or after his Normal Retirement Date while an Employee shall receive a monthly benefit for the spouse's life in an amount equal to the benefit the spouse would have received if the Participant had retired on the day before he died and had elected to receive a reduced benefit for his life with a 100% Contingent Annuitant benefit payable to his spouse. A surviving spouse shall not receive a benefit under this Section if that spouse is to receive a benefit as contingent annuitant, or if the Participant has selected any benefit form permitted under the Plan providing benefits to any individual after the Participant's death, and based on his monthly benefit.

C. Deferred Retirement Option Program

The County and FOP 89 agree to establish a cost-neutral Deferred Retirement Option Program (DROP) for Police Pension Plan participants effective on January 1, 2019. The terms of the DROP shall be cost-neutral to the County and the Police Pension Plan, and shall be substantially similar to the comparable plan recently agreed to by the County and the International Association of Fire Fighters (IAFF) Local 1619, covering sworn fire fighters (with upward adjustments for the number of employees eligible). Should the Pension Plan's actuary determine that this DROP is not cost-neutral when applied to the Police, then the parties shall meet to adjust the DROP to ensure cost-neutrality no later than August 31, 2018.
