The bill was reported out of the Committee of the Whole, upon a motion by Council Member Shapiro, seconded by Council Member Scott, with a favorable recommendation by a vote of 9-0.

The Legislative Officer provided an overview of the requirement in the Charter that an edition of the County Code be published not less than every four years. BACKGROUND INFORMATION/FISCAL IMPACT
(Includes reason for proposal, as well as any unique statutory requirements)

Section 321 of the Charter requires that, at intervals not greater than every four years, the County Council compile and codify all laws of the County in effect at such time, together with an index and such appropriate notes, citations, annotations, and appendices as the Council may determine. The most recent edition of the County Code is the 1995 Edition. The proposed bill will adopt the 1999 Edition of the Zoning Ordinance, being also Subtitle 27 of the Prince George's County Code. The full text of the proposed 1999 Edition is on file with the Clerk of the Council. No substantive changes are intended.
