RE: Joint Public Hearing, January 16, 2024
Historic Site Designation for Yates and Mary
Boswell House (Documented Property 66-029-09)

Dear Chair Ivey:

As follow up to the Planning Board/District Council Joint Public Hearing held on January 16, 2024, the Planning Board would like to convey its recommendation to the District Council on the historic site designation referenced above. The Planning Board has reviewed the Historic Preservation Commission's recommendation on this property, and the material submitted into the hearing record, and finds that this property meets the identified criteria in Subtitle 29-104 (the Prince George's County Historic Preservation Ordinance), as outlined in the record. Therefore, on February 15, 2024, by a vote of 5-0, the Planning Board recommended that the District Council designate this property as a Prince George's County Historic Site.

This is to certify that the foregoing is a true and a correct copy of the action taken by the Prince George's County Planning Board of The Maryland-National Capital Park and Planning Commission on the motion of Commissioner Washington, seconded by Commission Geraldo, with Commissioners Washington, Geraldo, Bailey, Doerner, and Shapiro in favor of the motion at its regular meeting held on Thursday, February 15, 2024, in Upper Marlboro, Maryland.

Adopted by the Prince George's County Planning Board this 15th day of February 2024.
