BACKGROUND INFORMATION/FISCAL IMPACT:

The County Council enacted CB-69-1992 on July 28, 1992, which initially authorized a partial property tax credit for certain residential real property located in an area adversely impacted by a sanitary landfill. The Sandy Hill Sanitary Landfill has closed since CB-69-1992 was enacted and the useful life of the Brown Station Road Sanitary Landfill has been extended well beyond the projected life span. The proposed legislation will authorize the partial tax credit for residential real property located within the impacted area of the Brown Station Road Sanitary Landfill.
