BACKGROUND INFORMATION/FISCAL IMPACT:

This rental housing inspections bill requires inspections of rental housing dwellings with ten or more units for all rental housing properties over twenty-years old every three-years. It requires that all rental housing properties with ten or more units receiving a payment in lieu of taxes agreement pursuant to Md. Ann. Code Art. Local Government, Section 1-1308 be inspected every three-years. It requires municipalities that conduct rental housing inspections of dwellings with ten or more units to provide the Code Official information about their inspections resulting in violations within 30 days of the issuance of the violation notice. Lastly, it provides that, at the option of the Code Official, municipal inspections may take the place of inspections by the Code Official if they take place within the three-year inspection time-frame that commences on the date of the last inspection of the rental housing property which is noted on file.
