The Committee of the Whole convened on September 26, 2017, to consider CB-119-2017. The Council's Zoning and Legislative Counsel provided a staff overview of the legislation and explained that the bill is clean up legislation to clarify which regulations shall apply to certain development in the R-R Zones of the County. Council Member Turner, the bill's sponsor, further explained that the bill came about as a result of an issue brought to the Council's attention by the Park and Planning permit review division. After a brief discussion amongst the members, the Committee voted 7-0-1 (Council Member Lehman abstained, Council Member Toles was absent from vote) for a favorable report and recommendation as to CB-119-2017 (DR-1).
