**RESOLUTION**

1 A RESOLUTION concerning

2       Housing Investment Trust Fund (“HITF”) for Housing and Community Development

3 For the purpose of committing and allocating the amount of two million, five hundred thousand  
4 dollars (\$2,500,000) in Prince George’s County Housing Investment Trust Fund (“HITF”)

5 Program funds to the New Carrollton – Affordable – Phase 1 project, an eligible activity, for gap  
6 financing of new affordable rental housing construction.

7       WHEREAS, pursuant to Sections 10-295, 10-297, 10-298 and 10-299 of the Prince  
8 George’s County Code, the County Executive and the County Council of Prince George’s  
9 County, Maryland adopted County Bill CB-021-2012, which set forth the County’s Housing  
10 Investment Trust Fund Program; and

11       WHEREAS, the County established the Housing Investment Trust Fund, in order to  
12 authorize a funding and program mechanism to address foreclosure related issues facing  
13 residents in the County. The County sought to establish a Foreclosure Recovery Initiative Fund  
14 to allow Prince George’s County to support private investments, attract new homebuyers, and  
15 expand partnerships with the non-profit community by providing critically needed financial  
16 assistance for housing rehabilitation projects, first time homebuyers, and foreclosure mediation  
17 counseling agencies; and

18       WHEREAS, pursuant to Sections 10-295, 10-297, 10-298 and 10-299 of the Prince  
19 George’s County Code, and adopted in County Bill CB-057-2017, the Housing Investment Trust  
20 Fund Program was amended to include the provision of gap financing to support the  
21 development of new construction, rehabilitation and preservation of workforce and affordable

1 housing, consistent with the adopted Prince George’s County Five-Year Consolidated Housing  
2 and Community Development Plan. In addition to serving as a vehicle to address foreclosures  
3 with the County, the purpose of the amendment was to enable the County to support the  
4 development of new construction and preservation of existing workforce and affordable housing  
5 which would allow Prince George’s County to provide Workforce Housing Gap Financing with  
6 an emphasis on supporting the development of new construction, rehabilitation and preservation  
7 of workforce and affordable housing while targeting households earning up to 120% of the area  
8 median income (“AMI”); and

9 WHEREAS, the New Carrollton – Affordable – Phase 1 project involves the new  
10 construction of one hundred twelve (112) units of new affordable multi-family rental housing for  
11 low-income to moderate-income seniors, known as the New Carrollton – Affordable – Phase 1,  
12 located at 4051 Garden City Drive, Hyattsville, Maryland 20785; and

13 WHEREAS, Attachments “A-1,” “A-2,” and “A-3,” describe the New Carrollton –  
14 Affordable – Phase 1 project, the associated costs and the source(s) of funding for the project, as  
15 attached hereto and made a part hereof; and

16 WHEREAS, Attachment “B” describes a summary of the financial commitment and

**PROJECT DESCRIPTION:**

The New Carrollton – Affordable – Phase 1 project (the “Project”) is a proposed one hundred twelve (112) unit transit-oriented senior affordable housing development to be located at 4051 Garden City Drive, Hyattsville, Maryland 20785, and developed by Urban Atlantic Development LLC. The target population will be seniors with household incomes at or below seventy percent (70%) of the Area Median Income (“AMI”).

The Project will consist of one hundred seven (107) one (1) bedroom units and five (5) two (2) bedroom units within one (1) elevator building of four (4) or less stories. The Project dedicates more than three thousand, five hundred (3,500) square feet to planned amenities, which include entertainment rooms, fitness centers, business centers, a library, a pet spa and a swimming pool.

The Project is in an Opportunity Zone, Qualified Census Tract, and Transit Oriented Development Zone. Additionally, it sits within 0.5 mile of the New Carrollton Metro station, which is the terminus of the Orange Line, the future Purple Line, home to an AMTRAK and MARC station, as well as having a bus station serving multiple Metro bus lines and Greyhound.

The proposed development is part of a forty (40) Acre Joint Development Agreement between Urban Atlantic Development LLC and Washington Metro Transit Authority (WMATA). To date, the Project has seen more than three hundred fifty million dollars (\$350,000,000) in new construction development.

Historically, affordable housing has been an afterthought in metropolitan, transit-oriented developments. By including high-quality affordable housing early in the master development of New Carrollton Metro Center, this project guarantees housing reserved at seventy percent (70%) of the AMI to be included in the center of a much larger development. Without this project, residents at this proposed income level will be priced out of this area, as land value and market rate rent are expected to increase with additional new construction development in the coming

years.

Urban Atlantic Development LLC., the applicant/owner of the proposed New Carrollton – Affordable – Phase 1 project, is an experienced developer that has raised and deployed over one billion, three hundred million dollars (\$1,300,000,000) in debt and equity to develop over five hundred thirty (530) acres of land development and infrastructure, while creating over eight thousand, eight hundred (8,800) residential units and four hundred thousand (400,000) square feet of commercial space. Whiting Turner Contracting Company will provide General Contracting services and Washington, D.C. based BKV Group DC, PLLC, will serve as architect.
