RE: Fiscal Impact of Enacting CB-7-2004

At your request, we have reviewed Council Bill 7-2004 for its fiscal impact on Prince George's County, Maryland.

The purpose of CB-7-2004 is to revise the composition of the membership of the Redevelopment Authority.

There should be a negative fiscal impact on the County in the amount of approximately \$9,600 as a result of enacting CB-7-2004. This amount is related to the addition of two public members at a cost of \$400 per monthly meeting.

If you require additional information, please call me.
