3. If the paid hours of an employee's assignment exceed five (5) (twenty (20) or more years) or four (4) (under twenty (20) years) per day, any of the excess hours may be reassigned to another employee covered by this Agreement whose permanent assignment consists of less than four (4) paid hours, so long as the reassignment is consistent with school schedules and other operational needs.
4. Any permanent crossing guard hired on or after May 1, 1995, must be available to work a minimum of four (4) hours a day, that is, work at least three (3) crossing assignments, which specifically must include at least one morning and one afternoon crossing, if they are available.

## **SECTION 8.02 GENERAL PROCEDURE FOR FILLING VACANCIES.**

A. By May 15 of each year, letters will be delivered personally or sent by certified mail to all employees requesting them to indicate whether they shall return the following school year to resume their duties or to resign same. Any employee not responding within the designated time period shall be deemed to have resigned and his/her crossings will be placed on the bid list. Employer will deliver relinquish forms to the Employees at least 15 days prior to the first day of public school. All School Crossing Guards will receive a current list of vacant crossings created by employees who are known to be retiring and resigning. Returning employees with assignments in excess of five (5) hours (twenty (20) or more years) or four (4) hours per day (under twenty (20) years) during the current school year will also specify any of their hours in excess of five (5) hours (twenty (20) or more years) or of four (4) (under twenty (20) years) to be placed on the bid list for the following school year. Employees may also voluntarily relinquish at that time any or all of their permanent assignments for placement on the bid list. Any guard who begins the bidding process with less than five (5) assigned hours (twenty (20) or more years) or four (4) assigned hours (under twenty (20) years) due to his/her voluntary surrendering of one (1) or more permanent hours will bid at Stage One. Any twenty (20) or more years guard with five (5) hours that will not be bidding but wants to be considered for any of the remaining crossings should inform the supervisor on their relinquish forms.

B. Replies (relinquish forms) must be received within two (2) weeks following the receipt of said letter. All relinquish forms shall be submitted by employees in sealed envelopes with the School Crossing Guard's name printed and signed on the front by the employee. The Department will maintain the relinquish forms in confidence before the bid list is prepared.

C. The list of all vacancies for the following new school year, commonly called the bid list, will be reviewed by the Union prior to the final draft of the bid list being sent to the employees. The final draft of the bid list shall be personally delivered or sent by certified mail to all employees not later than the end of September. No changes in the bid list will be allowed on the day the bidding takes place. The bidding and assignment of school crossings for the new year will take place by means of a two-stage process on the last Saturday in September. New assignments will start on the third (3rd) Monday after the bidding process is completed.

1. Stage One. Individual personal meetings (no envelope bidding except in cases of personal hardship) with each permanent, part-time crossing guard and the supervisory staff will be scheduled in descending order of seniority for those crossing guards whose permanent assignment for the following year will be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily. At the request of the Union President, a designated Union representative may be present during the Stage One meetings and will be furnished with a bid list. Those guards will bid on vacancies on the bid list and the employer will attempt to make a permanent assignment of five (5) hours (twenty (20) years or more) or four (4) hours (less than twenty (20) years) per day for the following school year in accordance with Section 8.01, above. As mentioned above in Section 8.01, B.4., all guards hired on or after May 1, 1995 as a permanent, part-time crossing guard (as distinguished from a "relief," "temporary" or "700 hour") must first take at least one morning and one afternoon crossing, consistent with school schedules if suitable crossings are available, as part of his/her permanent

hours. At the end of Stage One, all guards with twenty (20) or more years will have had the opportunity to bid for five (5) permanent hours. All guards with less than twenty (20) years will have had the opportunity to bid for four (4) permanent hours.

2. Stage Two. All permanent school crossing guards with less than twenty (20) years of service will be scheduled for individual meetings with the supervisory staff in descending order of seniority. At the request of the Union President, a designated Union representative may be present during the Stage Two meetings and will be furnished with a bid list. They will bid on remaining vacancies to increase their assigned hours to five (5) hours per day for the following school year.

3. If a guard does not select a permanent assignment of at least four (4) hours, he/she will be given a suitable assignment (or assignments) selected by the officer in charge from the crossings left on the bidding sheet to accommodate the required four (4) hours. Self-imposed limits (for example, all afternoons, mornings, extra jobs, etc.) will not make an otherwise suitable crossing unsuitable. The term "suitable crossing" means one that is available at a location with a commute that will not conflict with other previously selected crossings (any crossings located in Prince George's County).

4. After choosing a fifth (5th) hour during either Stage One or Stage Two, the crossing guard will be asked if he/she is willing to accept (an) additional crossing(s) from crossings that may remain unassigned at the end of Stage Two. Their names, along with the twenty (20) years or more guards that requested it on the relinquish form, will be placed on a list in descending order of seniority. If any crossing on the bid list has not been selected by the end of Stage Two, the department will make those assignments first from those on the list in descending order of seniority. If any crossings remain unassigned after that, the department will make those assignments with school crossing guards whose permanent assignments are less than four (4) hours per day in ascending order of departmental seniority and subsequently by guards working four (4) hours or more in ascending order of seniority.

D. Appointment to fill any vacancy shall be made by selecting the employee with the greatest departmental seniority who is qualified to fill the vacancy. The County shall be the sole judge of employee qualifications.

E. By the close of their meetings, each crossing guard will be informed of his/her crossings for the upcoming school year and they will subsequently be confirmed in writing by the department. The effective date of the new assignments will be the third (3rd) Monday after the bidding process is completed. There will be no trading of assignments before or after the bidding has been completed. A listing of all assignments will be subsequently forwarded to the Union.

F. A vacancy is a permanent opening of an established crossing that has been vacated by a permanent, part-time employee via termination, transfer, retirement, promotion or any other related reason for permanently leaving. Any newly opened crossings after the relinquish forms have been turned in (for example, open as a result of a summer quit or a survey) will be placed on the bid list for the subsequent school year. All vacancies, including new openings and reopened crossings, occurring after the bid and assignment process for the new school year until the beginning of the following school year shall not be subject to the bid and assignment process.

described above. The department will attempt to fill these vacancies first with school crossing guards whose permanent assignments are less than four (4) hours per day in descending order of their seniority, and subsequently by guards working four (4) hours or more in descending order of seniority. The name(s) of the employee(s) selected for the assignment(s) will be posted in the Crossing Guards Office, and a copy of the notice will be sent to the Union President. Any Crossing Guard who believes he/she was entitled to that crossing based on seniority should discuss the matter with his/her supervisor. If the matter is still unresolved after discussion with the supervisor, the employee may file a grievance pursuant to Article 4.

G. If temporary guards are not available for relief status work, then relief assignments for the extra hours will be given where possible to guards who have placed their names on a list of guards willing to take such relief assignments with priority given to guards with four (4) hours, then five (5) hours, and so forth. Relief assignments will be divided into crossings and shared where it is reasonable to do so. A copy of this list will be forwarded to the President and Chief Shop Steward annually at least two (2) weeks after the bidding.

H. Although the safety of the citizens and school children must be the primary consideration, the County will generally not order a permanent guard to accept additional assignments which cause excessive inconvenience or hardship to the employee. This provision is not to be construed as to grant the employees the right to refuse a direct order.

### **SECTION 8.03 JOB LOSS DUE TO SCHOOL CLOSING OR SCHOOL TIME CHANGES.**

A. Employees whose permanent assignment will result in less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) per day because of an announced school closing or time change in the following year shall participate in Stage One of the bid and assignment process as described in Section 8.02, C.1., above.

B. In the event that a school crossing is permanently closed during the school year that results in a permanent, part-time crossing guard's assignment to be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily, the affected employee shall be allowed to select a comparable crossing from one covered by a temporary employee first. If a crossing suitable to the affected employee cannot be found, the affected employee must make a selection from the excess hours of a less senior employee. The affected employee shall review six and one-half (6 1/2) hour assignments (in reverse order of seniority) from guards under twenty (20) years first, then six and one-half (6 1/2) hour guards with twenty (20) years or more.

C. If a suitable assignment is not found, the affected employee would then review crossings of guards (in reverse order of seniority under twenty (20) years) making a selection from crossings that were assigned by Management. If a suitable crossing still has not been selected by the affected employee, then and only then, would the fifth (5th) hour received during the bid process be reviewed. This also would be done in reverse order of seniority reviewing crossings of guards under twenty (20) years.

D. If the affected employee is unable to select a comparable crossing after reviewing all options, he or she forfeits the right to make a selection. In such a case, the final determination on

the selection of the crossing(s) required to give the employee four (4) hours daily (that is, three (3) crossing assignments) shall be Management's. Employees losing excess hours as a result of another employee claiming them to maintain their hours shall have the right to regain the crossing under Stage Two of the bid process.

E. All selections made by displaced crossing guards must be approved by Management. In the event that the crossing selected as a replacement by the displaced employee is not practical (within appropriate time frame or distance) approval for the selection may be denied.

F. Whenever possible, guards will be given one (1) full week's notice prior to the closing of a crossing.

#### **SECTION 8.04 SPECIALTY ASSIGNMENTS.**

Special assignments, as determined by the County, will be made by seniority when possible. This would include any available alternative work assignment that the County determines is available during those time periods when schools are scheduled to be closed. A volunteer sign-up sheet will be posted on the first day of school 2007 through September 30, 2007 that will be used for consideration when making specialty assignments through June 2009. This sign-up sheet will also be made available at the back to school night. In addition, only newly hired permanent employees hired after September 30 will be afforded the opportunity to sign up after September 30.

#### **SECTION 8.05 BACK-TO-SCHOOL MEETING.**

All employees covered by this Agreement who attend the required back-to-school meeting shall receive three (3) hours pay at their regular rate of pay as compensation.

#### **SECTION 8.06 CPR.**

Since it is mandatory by the Police Department that all guards must be certified in CPR each year, where possible, classes for CPR will be scheduled during the school year during the day, Monday through Friday. Mouth apparatus will be provided to each guard and replaced when needed. Employees who provide proof of certification from a training company or agency that is acceptable to the Employer will not have to retake CPR training. The Employer will not withhold acceptance of such certification unreasonably.

#### **SECTION 8.07 UPDATED CHANGES.**

As permanent changes occur, the Department will furnish the Union every two (2) weeks (if necessary) on paydays with updated lists of work locations, times and assigned employees where there is a change that effects the bargaining unit.

#### **SECTION 8.08 DRUG TESTING.**

Drug testing will be done according to the rules and procedures governing Police Department employees, except that School Crossing Guards who are notified to take a drug test will be paid

for a minimum of three (3) hours if such test is taken during their off duty time. Testing results will be maintained in confidence. Drug test notification will be made no earlier than by the completion of the Employee's first assignment of the day.

**SECTION 8.09 TEMPORARY ASSIGNMENTS.**

A. Employees who are required by the Appointing Authority or his/her designee to perform the majority of the duties of a higher job classification for at least ten (10) days shall be compensated starting with the first day at the rate of the higher job classification. No employee shall be required to perform such work for more than one hundred twenty (120) days in any one calendar year.

B. The County shall not schedule work to intentionally circumvent the provisions of this Article.

**ARTICLE 9 -- HOLIDAY ADMINISTRATION**

**SECTION 9.01 ELIGIBILITY REQUIREMENTS.**

Employees covered by this Agreement are eligible for holiday pay provided they are in a pay status during the scheduled workdays occurring immediately before and immediately after the holiday. An employee is in a pay status on any given day if the employee has worked the full day or has taken approved annual or sick leave on that day.

**SECTION 9.02 HOLIDAY PAY.**

Employees who perform no work on a holiday shall be paid for their normal workday at their regular hourly rate of pay.

**SECTION 9.03 HOLIDAY WORK.**

If the employee is required to work a holiday, the employee shall be compensated at the rate of two (2) times the employee's normal hourly pay for each hour worked and will not receive holiday pay as provided in Section 9.02, above.

**SECTION 9.04 HOLIDAYS RECOGNIZED AND OBSERVED.**

The following days shall be recognized and observed as paid holidays: Thanksgiving, County Employees' Appreciation Day, Christmas, New Year's Day, Washington's Birthday, Good Friday, Easter Monday, Police Memorial Day, Memorial Day, Labor Day, Martin Luther King Jr.'s Birthday, General Election Day, in which Congressional Representatives are elected, Veteran's Day and Teachers' Convention Day.

**ARTICLE 10 -- INCLEMENT WEATHER PAY**

A. Employees who are unable to work because all schools are closed for the entire day due to extreme inclement weather conditions will receive pay for their permanently assigned hours for

up to five (5) inclement weather days during the school year.

B. In the event that the number of inclement weather days used in any school year exceeds five (5), the employee shall be given the option to use annual leave time in order to receive a regular pay check. Should any member of the bargaining unit have unused inclement weather days at the end of the school year, unused days shall be converted to sick leave on a two-for-one basis, that is, two (2) hours of unused inclement weather time converts to one (1) hour of sick leave.

## **ARTICLE 11 -- ANNUAL LEAVE AND VACATIONS**

### **SECTION 11.01 EARNED ANNUAL LEAVE.**

A. Bargaining unit employees with up to four (4) years of service shall earn one and one-half (1 1/2) hours of annual leave for every twenty (20) hours reported. Employees with four (4) through fifteen (15) years of service will earn annual leave at the rate of two (2) hours for every twenty (20) hours reported. Employees with fifteen (15) or more years of service will earn annual leave at the rate of two and one-half (2 1/2) hours for every twenty (20) hours reported.

B. A maximum of three hundred sixty (360) hours of accumulated annual leave may be carried over by employees covered by this Agreement. Any annual leave in excess of three hundred sixty (360) hours will be converted to sick leave at the end of the leave year.

### **SECTION 11.02 RATE OF PAY FOR ANNUAL LEAVE.**

The rate of pay while an employee is on annual leave shall be the employee's regular straight time rate of pay in effect for the employee's regular job on the day immediately preceding the employee's leave.

### **SECTION 11.03 CHOICE OF ANNUAL LEAVE.**

Annual leave shall be requested as far in advance as possible; and acted upon within five (5) working days after the request; provided, however, that emergency annual leave may be granted on occasions when it is not possible to obtain prior approval for the leave. Upon request, annual leave shall be granted based upon the Employer's operational needs. If the nature of the Employer's operations makes it necessary to limit the number of employees on vacation at one time, the employee with the greater seniority will be given the choice of vacation periods in the event of any conflict over vacation periods.

### **SECTION 11.04 PAYMENT FOR ACCUMULATED ANNUAL LEAVE UPON TERMINATION OF EMPLOYMENT.**

An employee who terminates employment after at least ninety (90) days of service shall receive, at the time of final separation, a lump sum payment of all annual leave accrued.

**SECTION 11.05 PAYMENT FOR ANNUAL LEAVE AT THE END OF THE WORK YEAR.**

- A. Each employee may elect to be paid at the end of the work year, and at the appropriate annual rate for up to three hundred sixty (360) hours of his/her annual leave accrued through the pay period in which April 30 falls. The Employer will make reasonable efforts to distribute annual leave payment checks at the same time that the last paychecks for the school year are distributed. In lieu of payment for their annual leave at the end of the school year, employees may elect to carry over all or a portion of their accrued annual leave balances to the following school year. Employees who wish to carry over annual leave must notify the Police Department, in writing, of the amount of annual leave they wish to carry over before April 30 of each year.
- B. Annual leave checks will be distributed one pay period after the last paycheck for the school year.

**SECTION 11.06 SICK AND ANNUAL LEAVE DISPOSITION UPON SEPARATION.**

- A. The annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, with proper notice of separation as determined by the employee's Appointing Authority, be liquidated in the following manner:
  - 1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8).
  - 2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee.
  - 3. Except in the case of an employee who is entitled to credit for sick and annual leave balances under the terms of an applicable County sponsored pension plan, the employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following limitation:

The maximum total amount of annual leave eligible for cash payment upon separation shall be the amount of remaining accumulated leave earned as of the end of the last full pay period in Fiscal Year 1996, or three hundred sixty (360) hours, whichever is greater.
  - 4. For all or any portion of the employee's sick leave balance earned as of the end of the last full pay period of Fiscal Year 1996, the employee may elect to receive cash payment in an amount equal to the total number of unused sick leave hours multiplied by one-half (1/2) of the employee's base hourly rate of pay as of June 30, 1996. Sick leave earned beginning the first pay period of Fiscal Year 1997 is not subject to cash payment to the employee upon separation. Any employee who is entitled to credit for sick and annual leave under the terms of an applicable

County sponsored pension plan will only be entitled to receive cash distribution for leave balances in accordance with the terms of the applicable pension plan.

5. Notwithstanding any provision in this Section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

6. Notwithstanding any provision in this Section to the contrary, an employee who has been separated from employment under a separation-disability action pursuant to Section 16-189 shall forfeit any sick leave hours accumulated at the time of the employee's separation.

7. Upon retirement, an employee shall be entitled to receive credit on an actuarial equivalent basis for unused sick leave for which an authorized cash payment has not been elected as creditable service in accordance with the applicable provisions of the State Personnel and Pension Article, Annotated Code of Maryland, and the terms of any applicable County-sponsored pension plan.

8. Upon retirement, employees covered by this Agreement may convert any unused annual leave to new sick leave for pension credit under the State Retirement or Pension Plan.

There shall be no limit on the amount of sick leave an employee may accumulate.

### **SECTION 12.03 USE OF SICK LEAVE.**

Sick leave shall be allowed in case of actual sickness or disability of the employee which incapacitates the employee so that the employee is unable to perform the regular duties of employment; or of actual sickness or disability of a member of the employee's household or illness of the employee's family outside of the employee household (provided the term "family" shall include those persons listed in Article 14 (Bereavement Leave), below); or because of necessary employee appointments with physicians, dentists, or optometrists. The Employer may require proof of the reason for which sick leave was taken when the Employer has reasonable cause to believe that an employee may be abusing sick leave privileges. Prior to that, the employee will be given verbal or written notice that the employer suspects leave abuse.

### **SECTION 12.04 REQUESTS FOR SICK LEAVE.**

A. Request for use of sick leave for physician, dentist, or optometrist appointments shall be

made to the Employer in advance. Request for sick leave in all other cases shall be made in advance whenever it is possible, no later than within the first (1st) hour of the start of the employee's workday.

#### **SECTION 12.05 SICK LEAVE BANK.**

A. The Union shall have the right to establish and maintain a sick leave bank. The sick leave bank shall be funded through voluntary donations of sick or annual leave by employees covered by this Agreement. This leave may then be transferred from the bank to the sick leave account of another employee covered by this Agreement with a zero (0) leave balance (annual and sick). Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee or to use for bereavement leave under Article 14.

B. The administration of this sick leave bank shall be the responsibility of the Union. The County agrees to maintain the records of the sick leave bank and shall only be required to transfer sick leave from the bank to the account of an eligible employee upon receiving proper written authorization from the Union that the sick leave is to be transferred and after verification that the receiving employee has met all the necessary conditions of eligibility.

C. Up to five (5) members of the negotiating team will be excused from their work assignment to attend contract negotiations and be placed on administrative leave that day so they will suffer no loss of compensation.

D. On days of negotiations, employees will be granted sufficient compensatory leave to make up the difference between eight (8) hours and the hours the employee would otherwise be in a paid status.

E. Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the County may apply for approved leave without pay. Such applications must be made not less than ten (10) working days prior to the beginning of such leave and such leave shall be at least one (1) calendar year in duration but not longer than (2) years duration. Granting approved leave without pay rests in the discretion of the Employer but such approval shall not be unreasonably withheld. Such leave may be renewed or extended for a similar period of time by mutual agreement.

A. Employees covered by this Agreement may elect to participate in a supplemental retirement benefit program, jointly funded through County and employee contributions. The rate of accrual and amount of the benefit payable under this program are determined as follows:

1. Benefit accrual is at the rate of 0.4% times the number of years of actual and continuous service the employee has as a full-time Prince George's County employee, to a maximum of twenty-five (25) years of actual and continuous service, multiplied by the employee's average annual compensation, as determined pursuant to Section 29.05, B., below.

B. Effective July 1, 2001, the benefit accrual rate in paragraph A.1., above, shall be increased from 0.4% to 0.6% per year for up to twenty-five (25) years of service for an increase in normal benefit from ten percent (10%) to fifteen percent (15%). The additional cost for this benefit enhancement will be paid totally by the County.

**ATTACHMENT A -- MIN-MAX SYSTEM****A. Administration of the Min-Max System.**

1. Merit increases for employees covered by this salary schedule who earn less than the maximum of their grade shall be granted at a rate of three and one-half percent (3 1/2%), in accordance with the Personnel Law. Employees will continue to receive three and one-half percent (3 1/2%) merit increases until one of the following occurs:

a. They reach the maximum;

b. The three and one-half percent (3 1/2%) increase would establish the hourly rate one percent (1%) or less below the maximum in which case the hourly rate will be automatically adjusted upward to the maximum; or,

c. If a three and one-half percent (3 1/2%) merit adjustment would cause an employee's salary to exceed the maximum rate established for that grade, the employee's salary will instead be adjusted to equal the maximum applicable rate.

2. Steps for the purpose of promotions, demotions, discipline, and reallocations, occurring on or after July 12, 1981, shall be at a rate of five percent (5%) and shall be governed by the Personnel Law.

3. Amend Salary Schedule X effective July 1, 2007 to provide the establishment of MINIMUM and MAXIMUM rates:

i. Effective July 1, 2007, the MINIMUM rate, is the July 9, 2006 MINIMUM rate.

ii. Effective July 1, 2007, the MAXIMUM rates will be the July 9, 2006 L6 rates.

4. Effective July 1, 2007, no employee in the bargaining unit shall be paid less than the Prince George's County Living Wage as from time to time determined. The Living Wage is not subject to COLAs or merit increases. Employees paid under this provision of the Agreement will not receive additional cost of living or merit increases unless the wage rate contained in the Agreement for their assigned position, as COLAs and merit increases are added, is above the County Living Wage, at which time the wage rate contained in the Agreement will apply.
