The Prince George's County Council convened as the Committee of the Whole on November 9, 2021, to consider CR-132-2021. CR-132-2021 is a Resolution for appropriating funding from grants in the amount of \$23,180,241 for Fiscal Year 2022. This request for additional appropriation authority will support new and continuing grant program efforts of eight agencies and Non-Departmental. The agencies requesting additional appropriations are listed below.

A majority of these funds will allow a myriad of grant programs to continue. The Non-Departmental funding will support an online sales network and equipment for teleworking opportunities. CR-132-2021 will require a County match of \$392,608 dollars.

The Office of Law reports CR-132-2021 to be in proper legislative form with no legal impediments to its adoption.
