BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

Section 27-645(b)(1) of the Zoning Ordinance requires that District Council to review and identify inconsistencies in proposals for public facilities in a preliminary plan. It further requires that the District Council approve by resolution, after appropriate consultation, any inclusion of a highway or transportation line for planning purposes. This resolution approves those inclusions for the Preliminary Landover Gateway Sector Plan and Sectional Map Amendment (SMA).
