TRANSPORTATION, HOUSING AND ENVIRONMENT COMMITTEE DATE: 9/12/96

Committee Vote: Favorable as amended, 3-1 (In favor: Council members Estepp, Russell, Scott, Opposed: Bailey)

The Committee expressed support for the re-establishment of the Solid Waste Commission. The Director of the Department of Environmental Resources submitted written comments requesting that the Commission avoid the review of issues for which decisions have already been made (ie., the solid waste system's revenue structure). The sponsor indicated that the re-established Commission should have the option to review such issues as it deems necessary.

Technical amendments offered by staff were accepted by the Committee.

BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

The Council established a County Solid Waste Commission by adopting CR-105-1994. The Commission presented its evaluation and recommendations to the Council and the County Executive. One of the recommendations was to continue the existence and work of the Commission.

The proposed resolution would re-establish the Commission and require another review and evaluation to coincide with the preparation of the Fiscal Year 1998 Budget.
