

PRINCE GEORGE'S COUNTY COUNCIL

COMMITTEE REPORT

2025 Legislative Session

Reference No.: CR-113-2025

Draft No: 1

Committee: COW

Date: October 14, 2025

Action: FAV

REPORT:

Committee Vote: Favorable 8-0 (In favor Council Members: Burroughs, Oriadha, Adams-Stafford, Dernoga, Harrison, Hawkins, Olson, and Watson)

The COW convened on October 14, 2025, to consider CR-113-2025, which was proposed by the Chair at the County Executive's request.

This resolution corrects a technical omission in the current county salary plan by restoring previously agreed-upon shift differential pay increases for Correctional Officers. Companion legislation, CB-094-2025, includes the amended Collective Bargaining Agreement.

It amends Salary Schedule D to include shift differential increases under Section 7, paragraph A, a provision that had been inadvertently omitted in the earlier amendment adopted under CR-072-2025.

Because those shift differential increases were meant to be part of the compensation package but were left out of the formal salary plan, this resolution ensures that the intended pay structure is properly reflected in county policy.

David Williams, Legislative and Budget Policy Analyst, stated in the Policy and Fiscal Impact Statement that the Adoption of CR-113-2025 will not have an indirect fiscal impact on the County. The anticipated costs for Fiscal Year 2025 were provided for in the current fiscal year budget for Fiscal Year 2026.

Sonia Owens, Council Liaison, Office of the County Executive, expressed support for CR-113-2025 on behalf of the County Executive.

Dinora Hernandez, Associate County Attorney, Office of Law, advised that CR-113-2025 is in proper legislative form with no legal impediments.

The COW voted favorably 8-0 on CR-113-2025.
