Fiscal Impact Statement for CR-133-2025

Title: A RESOLUTION CONCERNING RESTAURANT DEVELOPMENT AND ACCELERATION

CEX Proposed: No

Date introduced: 10/28/2025

Summary: For the purpose of encouraging the Department of Permitting, Inspections and Enforcement to establish a Restaurant Concierge Service pilot program which accelerate the development and location of new restaurants inside of the Capital Beltway.

Note: OMB is working with the Department of Permitting, Inspections, and Enforcement to determine what the full cost of this legislation may be. The legislation does not directly require additional resources, as the Department may repurpose existing staffing to fulfill the purpose. However, it is likely that the Department will request additional resources to implement this program. This may be a combination of a small number of staff (e.g. 1-3) and/or contractors, and certain administrative operating costs. This fiscal impact statement is prepared assuming no fiscal impact due to the repurposing existing resources, but it will be updated if additional information is received from the Department.
