AFFECTED CODE SECTIONS:**BACKGROUND INFORMATION/FISCAL IMPACT:**

This legislation creates a pilot program that will require landlords with a certain number of dwelling units to provide their tenants with the option of having their rental payments reported to at least one nationwide consumer reporting agency. It defines when the rent reporting pilot program will begin; what qualifying tenants must do to participate in the pilot program (which includes paying a small fee to have the rent payments reported); and what procedures Landlords must follow to properly administer the pilot program. The legislation also defines the rights of tenants that participate in the pilot rent reporting program and that it will expire in five years from the starting date.
