

PRINCE GEORGE'S COUNTY GOVERNMENT

OFFICE OF THE COUNTY EXECUTIVE

Aisha N. Braveboy
County Executive

August 25, 2025

The Honorable Edward P. Burroughs III
Chair
Prince George's County Council
Wayne K. Curry Administration Building
1301 McCormick Drive
Largo, Maryland 20774

Dear Chair Burroughs:

Enclosed for the County Council's consideration is legislation to amend the Classification Plan for Prince George's County. Pursuant to Section 903 of Article IX of the Charter and Section 16-125 (a) of Subtitle 16 of the County Code, this Bill proposes to reestablish certain classes of work, reallocating a certain class grade, adding new classes of work, and abolishing an obsolete class of work.

In collaboration with the Health Department, the Office of Human Resources Management's Classification and Compensation Division identified the need for amendments to the Classification Plan to strengthen essential public health services. The amendments include reestablishing the Disease Control Specialist class series and creating higher-level Epidemiologist classes of work to enhance analytical capacity and ensure the County can respond effectively to evolving and complex public health challenges. Additionally, one position has been identified for a grade adjustment to better align the Classification Plan structure, and one position is recommended for removal from the plan as it is obsolete.

The Council's favorable consideration of this legislation is greatly appreciated. If you have any questions or concerns, please do not hesitate to contact my office or Stephanie Bridgeforth, Director of Human Resources Management at (301) 883-6344.

Sincerely,

A handwritten signature in blue ink that reads "Aisha Braveboy". The signature is fluid and cursive, with a large loop at the end.

Aisha N. Braveboy
County Executive
