## **MIN-MAX System**

A. The MIN-MAX system in effect for all members of the bargaining unit on June 30, 2003 has been replaced by the following modified "MIN-MAX" system on July 1, 2003.

1. Base Pay Rates. The base pay rates for the ranks of Correctional Officer (D21), Correctional Officer First Class (D22), Correctional Officer Corporal (D23), Correctional Officer Sergeant (D25) and Correctional Officer Lieutenant (D27) are set forth in the Scheduled Pay Rates effective on the first full pay period beginning on or after July 1, 2007.

Effective July 1, 2008, the maximum rates will be increased by three and one-half percent (3.5%). Increases will be applied effective with the employee's anniversary date falling within FY09 (i.e., July 1, 2008 through June 30, 2009).

2. Merit Increases. Effective July 1, 2005, Merit Steps will have the value of three and one-half percent (3.5%).

a. If, upon the granting of a three and one-half percent (3.5%) merit increase, an employee's salary rate is one percent (1%) or less from the applicable maximum rate, the employee will have his/her salary rate adjusted to the applicable maximum rate.

b. If, upon the granting of a three and one-half percent (3.5%) merit increase, an employee's salary rate is greater than one percent (1%) but less than three percent (3%) from the applicable maximum rate, the employee, upon the satisfactory completion of one (1) additional year service, will have his/her salary rate adjusted to the applicable maximum rate.

3. Steps for the purpose of promotions, demotions, discipline, and reallocations shall be at the rate of five percent (5%) and shall be governed by the Personnel Law.

4. Anniversary Dates. Employees covered by this Agreement and hired before July 1, 2001, will keep the anniversary dates that they held on July 1, 2001 for as long as they are continuously employed. Employees hired on or after July 1, 2001, will have as their anniversary dates the dates of their initial appointment and those anniversary dates will not be changed while those employees are continuously employed. Employees hired (promotion, demotion, transfer, new hire) on or after July 1, 2003, will have as their anniversary dates the dates of their initial appointment in this bargaining unit and those anniversary dates will not be changed while those employees are continuously employed.

## **B. MASTER CORRECTIONAL OFFICER PROGRAM (PROGRAM)**

The Program covers promotions to the rank of Corporal. The current rank designations are Correctional Officer, Correctional Officer First Class and Corporal.

a. Correctional Officers hired on or after July 1, 2001 will have a twelve (12) month probationary period from the date of graduation from the academy with test against standard to advance to Correctional Officer First Class (not dual allocation).

b. Promotion to the rank of Corporal under the Program is based on a candidate's successful completion of a set standard consisting of the performance evaluation and the written examination described in paragraphs d, e, and f, herein.

c. The minimum time-in-grade requirement for eligibility to become a candidate for promotion to Corporal under the Program is twelve (12) months as a Correctional Officer First Class.

d. A performance evaluation is the first component determining eligibility for promotion under the Program. Correctional Officers who have met the necessary time-in-grade requirement and who have elected to become candidates for promotion shall be rated by the Department as "Promotable" or "Nonpromotable." A rating of "Promotable" shall qualify a Correctional Officer to take the written promotional examination for the rank of Corporal. A rating of "Nonpromotable" shall render a Correctional Officer ineligible to take the promotional examination and for promotion during the promotional cycle involved.

e. A written examination is the second component determining eligibility under the Program. Examinations under the Program for the rank of Corporal will be administered in April of each year. Correctional Officers First Class with at least one year in grade who are eligible to test for Corporal in April will be promoted in May. Correctional Officers First Class who will have at least one year in grade as of October will be permitted to test in April and will be promoted in November. The written examination scores of Correctional Officers seeking promotion under the Program shall be placed in one of two categories: "Pass" consisting of all examinations with a score equal to or greater than seventy percent (70%), and "Fail" consisting of all examinations with a score less than seventy percent (70%).

f. Candidates who have received an evaluation of "Promotable" and who have achieved a written examination score of seventy percent (70%) or better shall be deemed "qualified" for promotion and will be promoted within thirty (30) days after successfully completing all aspects of the process.

g. Nothing contained in the Program is intended to modify the relationship between the disciplinary process and the promotion process. A candidate who is qualified for promotion under paragraphs a - f, above, and who is under an investigation which could lead to a disciplinary action shall have his or her promotion held in abeyance pending the final outcome of the disciplinary process. If the Correctional Officer involved is still deemed qualified for promotion after the disciplinary process is completed, the Correctional Officer will be promoted retroactive to the appropriate effective date stated in paragraph f, above.

h. The parties specifically understand and agree that the willingness of the County to discuss the promotional issues reflected in this Memorandum of Understanding with the PGCOA during bargaining, to include the resolution of those discussions by reference in the Settlement Agreement to which this Memorandum of Understanding is attached, and to enter into this Memorandum of Understanding regarding a Master Correctional Officer Program does not waive or otherwise compromise the County's position that promotional matters constitute non-mandatory subjects of bargaining.

C. MASTER CORPORAL AND MASTER SERGEANT

1. The job titles of Master Corporal and Master Sergeant: In order to be eligible to receive the designation of Master Corporal or Master Sergeant, the employee must have ten (10) years in grade with a satisfactory performance evaluation of 2.0 or more and with the approval of the Director. This designation shall not be unreasonably withheld; and, if this designation is withheld, a written justification will be provided.

2. Effective July 1, 2005, Master Corporals and Master Sergeants will receive a two percent (2%) increase in their base pay rate and move to Grade D-24 (Master Corporal) or Grade D-26 (Master Sergeant) as applicable. Current Master Corporals and Master Sergeants will also be moved on said date to Grade D-24 or Grade D-26 as applicable.

D. LIEUTENANTS

1. Effective July 1, 2001, any member of Unit Three (Correctional Officer Lieutenant) will receive a two percent (2%) increase to base pay upon completion of their tenth (10th) year in grade.

**2. MERIT INCREASES AND COST OF LIVING ADJUSTMENTS**

In lieu of a merit increase for Fiscal Years 2012 and 2013, employees covered by this Salary Schedule shall receive a bonus payment in accordance with Section 3-Bonus Payment-of this Salary Schedule.

B. Cost of Living Adjustments

In lieu of a cost of living adjustment for Fiscal Years 2012 and 2013, employees covered by this Salary Schedule shall receive a bonus payment in accordance with Section 3-Bonus Payment-of this Salary Schedule.

**3. BONUS PAYMENTS (IN EXCESS OF BASE PAY)**

All eligible employees covered by this Salary Schedule shall receive a one-time lump sum payment in the amount of one thousand dollars (\$1000.00). Employees must have been employed as of October 1, 2011 and still employed upon the date of this payment. This one-time lump sum payment will be paid the second full pay period after the adoption of the Council Bill enacting this Salary Schedule.

All eligible employees covered by this Salary Schedule shall receive a one-time lump sum payment in the amount of one thousand two hundred and fifty dollars (\$1250.00). Employees must have been employed as of April 1, 2012 and still employed upon the date of this payment. This one-time lump sum payment will be paid the first full pay period in July 2012.

#### 4. WORK HOURS

A. The workweek is the seven (7) consecutive day period commencing with the first shift on Sunday and ending with the last shift on the following Saturday. The standard number of hours in a pay period shall be eighty (80) hours. Although employees covered by this Salary Schedule may not be scheduled to work exactly eighty (80) hours in a given pay period, the number of regularly scheduled hours of work in a pay period for employees covered by this Salary Schedule shall average eighty (80) hours a pay period during the course of the year. An employee shall not normally be scheduled to work more than five (5) consecutive days without a two (2) consecutive day break. Unless a schedule is proposed pursuant to paragraph C below which would require employees covered by this Salary Schedule in the Bureau of Security (except specialty units) to work a schedule different from the current schedule, all members of Unit Two and Unit Three will continue to work a schedule of five (5) eight (8) hour days with two (2) consecutive days off, at least one of which will be a Saturday or Sunday. A review of shift assignments will be conducted for members of Unit Three at least yearly in accordance with the Agreement during the yearly bid process.

B. The scheduled workday shall be inclusive of mealtime. In accordance with current practice, the meal provided at no cost to the employees covered by this Salary Schedule shall not be included as a part of the wage paid to any employee. In FY08, employees at the Regional Processing Center including the Regional Sergeants and the outside detail officers shall receive a three hundred dollars (\$300) allowance per year for meal per diem. In FY09, the meal per diem will be increased to four hundred dollars (\$400) per year. This allowance will be paid with the \ annual uniform allowance. Unless otherwise noted, this sum is not included in the employee's base pay for any purposes such as computing holiday pay, annual and sick leave pay, retirement deductions, or retirement or insurance benefits.

C. The Department may require employees covered by this Salary Schedule assigned to the Bureau of Security to attend roll call fifteen (15) minutes and Units Two and Three may be required to report thirty (30) minutes prior to the commencement of their shift. For each day of attendance, employees will receive credit to their compensatory leave accounts at the rate of time and one-half or pay at straight time at the option of the County. Employees will be permitted to schedule in advance at a mutually acceptable time one (1) day of compensatory or annual leave in conjunction with one of their scheduled two (2) day breaks during a regular six (6) week schedule period. An officer attending mandatory training and/or court appearance will not lose his/her shift differential.

D. The parties recognize that the County has the right to implement alternative shift plans, including rotating shifts, for employees covered by this Salary Schedule, provided, however, that in the event Management implements rotating shifts, changes in rotation will occur no more frequently than every eight (8) weeks. The County will provide the Association with at least twenty (20) working days notice before implementing a permanent change in shift plans, including pilot programs. The parties may place the matter on the agenda of the Labor-Management Committee for expedited discussions.

E. In determining shift assignments, the Department will take into account the shift preference of officers and, where officers express the same preference; attempt to resolve scheduling on the

basis of seniority in accordance with paragraph C. of Article 10 (Seniority) of the Agreement. The parties also understand and agree that, except as otherwise provided by this Salary Schedule, decisions concerning shift assignments and scheduling rest solely with Management and that these decisions are nonappealable through the grievance procedure.

F. A major bid for members of Unit One and Unit Two will be conducted yearly. A mini bid will be conducted yearly as needed for posts vacated due to attrition or reassignment.

## **5. OVERTIME COMPENSATION**

A. Full-time employees covered by this Salary Schedule shall be compensated at one and one-half (1 1/2) times their base hourly rate of pay for all hours worked at the direction of the County in excess of their regularly scheduled work hours. For purposes of this section, hours worked shall include any paid leave hours during a pay period.

B. Overtime will be paid in fifteen (15) minute increments for each quarter hour in which the employee works more than five (5) minutes with the exception of the quarter hour following shift changes, where the quarter hour will be paid if the employee works more than ten (10) minutes.

C. In addition, any employee who works overtime immediately before or immediately following his regular shift shall be compensated by an extra one-half (1/2) hour at the overtime rate for each increment of four (4) overtime hours worked.

D. At the option of the employee and with the approval of the County, an employee may elect to receive compensatory leave at the rate of one and one-half (1 1/2) hours for each overtime hour worked. For purposes of this provision and other compensatory leave provisions of this Salary Schedule, compensatory leave may be scheduled at mutually agreeable times but shall not be forfeited if not used.

E. There shall be no pyramiding of overtime or other premium rates (i.e. shift differential); that is, only one overtime or premium rate will be paid for the same hours worked.

## **6. SHIFT DIFFERENTIAL**

A. Effective the first full pay period beginning on or after July 1, 2005 a shift differential of two dollars and forty cents (\$2.40) per hour shall be paid for all time worked on the first shift (i.e., the night shift - 11 p.m. to 7 a.m. or equivalent) and on the third shift (i.e., the evening shift - 3 p.m. to 11 p.m. or equivalent) to each employee who works those shifts. Effective the first full pay period beginning on or after July 1, 2006, that rate will be increased to two dollars and fifty cents (\$2.50) per hour.

B. The shift differential provided herein is not included in the employee's base pay for any purposes such as computing holiday pay, annual and sick leave pay, retirement deductions, or retirement or insurance benefits.

## **7. COURT TIME COMPENSATION**

If, as a result of official actions taken during the normal course of employment with the Department, an employee covered by this Salary Schedule is required to appear in Court while off duty, the employee will be paid a minimum of three (3) hours pay at the overtime rate.

## **8. CALL BACK PAY**

A. An employee who is called back to work from off-duty by the County to perform operational duties and does in fact report during his/her off-duty hours shall be paid a minimum of three (3) hours at the applicable overtime rate of pay or five (5) hours of compensatory time, at the employee's discretion. This provision shall not apply to overtime situations, administrative hearings or disciplinary procedures. However, Management will attempt to schedule such hearings and/or procedures during the duty hours of the employee or at a mutually agreeable time.

B. When an officer is required by the Department to appear as a witness on behalf of the Department at an administrative hearing or disciplinary proceeding, including a trial board, the Department, where feasible, will adjust the officer's work schedule to permit the officer to appear during scheduled work hours. Where that is not feasible, the officer will be compensated in compensatory leave at the time and one-half (1 1/2) rate for the time the officer is required by the Department to appear. When the Department requires an officer to attend an administrative hearing or disciplinary proceeding, including a trial board during off duty hours as a witness on behalf of the charged officer, the witness will receive compensatory leave at the straight time rate for the time he is required to attend the trial board.

## **9. TEC PAY SUPPLEMENT**

Beginning Fiscal Year 2013, employees covered by this Salary Schedule and permanently assigned to duties as canine officers, ERT, Fire Arms Instructors, regional processing officers, CISM team members and permanently assigned transport officers will receive an annual TEC supplement in the amount of five hundred dollars (\$500.00). Eligible employees may not receive a TEC supplement greater than five hundred dollars (\$500.00) pursuant to this provision. For example, Fire Arms Instructors who are also assigned to ERT will be limited to a TEC annual supplement of five hundred dollars (\$500.00). Unless otherwise noted, this sum will be paid in July of each fiscal year and is not included in the employee's base pay for any purposes such as computing holiday pay, annual and sick leave pay, retirement deductions, or retirement or insurance benefits.

Employees permanently assigned to bilingual (translation) duties will be eligible to receive eight hundred dollars (\$800.00) per year upon passing a language proficiency examination administered by the Foreign Service Institute (State Department). This sum will be paid in July of each fiscal year and is not included in the employee's base pay for any purposes such as computing holiday pay, annual and sick leave pay, retirement deductions, or retirement or insurance benefits.

## 10. TRAINING COMPENSATION

A. Employees covered by this Salary Schedule who are assigned as Field Training Officers will receive forty (40) hours of compensatory time per academy class. In addition, a minimum of three (3) FTO Sergeants per shift will receive forty (40) hours of compensatory time per academy class.

B. Employees covered by this Salary Schedule who are assigned as Training Instructors will receive one (1) hour of compensatory time for each class taught.

## **14. ANNUAL LEAVE**

A. All full-time employees shall earn annual leave on the following basis:

- |   |   |
|---|---|
| 1. Zero (0) through three (3) years of service    | Four (4) hours per pay period   |
| 2. Four (4) through fifteen (15) years of service | Six (6) hours per pay period with periodic adjustment to ensure that each employee earns twenty (20) days |
| 3. After fifteen (15) years of service and above  | Eight (8) hours per pay period  |

B. Employees who work on a year-round part-time basis for forty (40) or more hours per pay period shall earn annual leave in proportion to the hours worked during each pay period.

C. The Department will make reasonable efforts to permit at least seven (7) employees from Unit One and two (2) employees from Unit Two per shift to be off on annual leave at any one (1) time. During peak vacation periods, that is, from seven (7) days prior to Memorial Day through seven (7) days after Labor Day and seven (7) days prior to Thanksgiving through January 15, the Department will make reasonable efforts to permit at least ten (10) employees from unit one and two (2) employees from unit two per shift to be off on annual leave at any one (1) time. Unit Two employees (Sergeants) will be allowed one additional person off on annual leave, that is for a total of three (3), on Tuesdays, Wednesdays, and Thursdays during peak and non-peak periods.

D. In order to assist employees in planning their annual leave use, the Department will maintain and update a master schedule of approved leave for the next six (6) months. The Department will accept written requests for annual leave.

E. Submissions will be made between the first (1st) and the tenth (10th) day of the months of December, March, June, and September. Leave requests will be acted upon by the twentieth (20th) of the month. The June leave submission period will be extended to January 15th.

F. An employee will not be entitled, based on seniority, to use more than a total of one hundred twenty (120) hours of annual leave during both peak periods combined, with no more than eighty (80) during any one leave period. Additional leave will be granted after the leave window submission period based on a seniority, first-come, first-served basis.

G. The Department will make reasonable efforts to resolve pending annual leave requests on the basis of departmental seniority.

H. The parties also recognize and understand that the foregoing are guidelines to be followed in the approval of annual leave and that final decisions on annual leave rest solely with Management. The parties also recognize that there may be times when approved annual leave may be canceled because of the operational needs of the Correctional Center.

I. An employee whose vacation approval is canceled will be reimbursed by the Employer for the costs of any reservations he/she made after the approval of his/her vacation request provided that the employee provides adequate proof of the occurrence of such costs and such costs are non-refundable from the reservation agent, hotel, airline, etc. because of no error or omission on the part of the employee. Anyone whose leave is canceled will be permitted to select a replacement leave period in the next twelve (12) months. This selection will not reduce the otherwise available leave slots.

J. The foregoing guidelines shall also govern the use and approval of compensatory leave.

K. Annual Leave accumulation and carryover.

1. A maximum of three hundred sixty (360) hours of accumulated annual leave earned beginning with the first pay period in the 1997 leave year (i.e., January 5, 1997) may be carried

over from one leave year to the next by an employee (i.e., new annual leave).

2. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in subsection 1., above.

3. Effective beginning with the 1997 leave year, employees who are over the three hundred sixty (360) hours limit at the end of that leave year will be able to convert any annual leave in excess of three hundred sixty (360) hours to new sick leave. Effective July 1, 2000, the Comprehensive Pension Plan will be modified to provide that new sick leave converted from annual leave, up to a combined total for each Correctional Officer of one thousand forty (1,040) hours of annual leave and new sick leave may be used to purchase pension credit at the rate of forty (40) hours for each month of pension credit.

## **15. SICK LEAVE**

A. All full-time employees earn four and one-half (4.5) hours of sick leave each pay period with a periodic adjustment to ensure that each employee earns fifteen (15) days of sick leave each leave year through the duration of County service. Each such day shall constitute eight (8) hours.

B. Employees who work on a year-round part-time basis for forty (40) or more hours per pay period shall accrue sick leave in proportion to the hours worked during each pay period.

C. Sick leave may be accumulated from year to year.

D. Use of sick leave shall be governed by the Personnel Law and Administrative Procedure 284 with the following exceptions:

Requests for sick leave because of illness which incapacitates the employee must be made as far in advance as possible, but, under normal conditions, not later than one (1) hour before the scheduled starting time of the employee's work shift.

E. Documentation:

The County may require proof of the reason for which sick leave was taken when the County has reasonable cause to believe that an employee may be abusing sick leave privileges. For the purposes of this Salary Schedule, reasonable cause shall be defined as:

a. The employee is under a sick leave letter;

b. An established, documented pattern that shows leave abuse is apparent, that is, habitual sick leave absences on the employee's Mondays, Fridays, or immediately before or after the employee is scheduled for approved leave, and/or the days immediately before and/or after the holidays; or

c. When credible information is obtained or developed by the on-duty supervisor that the employee is misusing or abusing sick leave, for example, a situation where sick leave is utilized on a day when annual leave or compensatory time was requested and denied with reason; employee calls in sick and supervisor contact is negative, for the duration of the employee's shift.

F. An incentive program to reduce sick leave abuse will be referred to the Labor-Management Committee for study and to make recommendations on a program to the Director. Before a program is implemented, a secret ballot election for the employees covered by this Salary Schedule will be conducted in conjunction with the distribution of paychecks, and implementation will depend on an affirmative vote of the majority of those voting.

G. Employees covered by this Salary Schedule are entitled to FMLA as provided in the Prince George's County Personnel Law.

## **16. SICK AND ANNUAL LEAVE DISPOSITION UPON SEPARATION**

A. Effective beginning with the 1997 leave year (i.e. January 5, 1997), the annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, be liquidated in the following manner:

1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8);

2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee;

3. The employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following:

- a. Upon separation from employment, employees who have elected to participate in the new comprehensive pension plan may elect to receive a cash payment for the remainder of their annual leave hours that were accumulated as of the end of the 1996 leave year OR for up to three hundred sixty (360) hours of accumulated annual leave, whichever is greater.

- b. Any remaining amount would be applied toward retirement credit in the comprehensive plan up to the maximum benefit allowed under the plan.

B. Upon separation from employment, employees who have elected to remain with the Maryland State Retirement Systems (MSRS) and the County Supplemental Plan may elect to receive a cash payment for the remainder of their annual leave hours that were accumulated as of the end of the 1996 leave year OR up to three hundred sixty (360) hours of accumulated annual leave, whichever is greater. Any remaining amount would be converted to sick leave and could be applied to purchase MSRS pension credit at the applicable rate.

C. Upon separation from employment for non-disciplinary reasons, eligible employees will receive cash payment for unused sick leave accumulated as of the end of the 1996 leave year in an amount equal to the total number of unused sick leave hours multiplied by one-half of the employee's base hourly rate of pay as of the date of separation but not to exceed the highest rate of pay of a Correctional Officer Lieutenant in January, 2001 -- that is, \$32.6534 per hour. However, if a Correctional Officer with less than twenty (20) years of actual service terminates employment as a result of death or disability, he/she shall receive a fifty percent (50%) cashout of unused accumulated sick leave as of the end of the 1996 leave year.

D. For individuals who chose to participate in the new comprehensive pension system, sick leave earned beginning with the 1997 leave year (i.e., new sick leave) is not subject to cash payment upon separation, but is available to purchase retirement credit under the comprehensive pension system even if the result is a benefit exceeding the maximum benefit allowed under the plan.

E. Correctional Officers whose employment terminates because of death are eligible for cash payment for all sick leave earned, including sick leave earned beginning with the 1997 leave year, at the rates set forth in paragraph C above.

F. For individuals who chose to remain in the MSRS plan and the County Supplemental Plan, sick leave earned beginning with the first pay period in the 1997 leave year is not subject to cash payment but may be used to purchase MSRS pension credit at the applicable rate.

G. Notwithstanding any provision in this Section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

## **17. BEREAVEMENT LEAVE**

Bereavement leave policies shall be administered in accordance with the Personnel Law, except that the first twenty-four (24) hours of bereavement leave taken upon the death of a family member will be administrative leave rather than sick leave. The term "family" shall include the employee's spouse, child (including biological, adopted, foster, step-child, or legal ward), parent, parent-in-law, grandparent, grandchild, brother or sister.

## **18. DISABILITY LEAVE**

The Department will designate a member of Management to make an initial determination as to whether an injury qualifies for disability leave. Specifically, where an employee claims injury on the job (all hours working, including breaks will be considered) and is unable to work, Management will make an initial determination through investigation as soon as possible but not later than ten (10) working days after the claim was made. In cases where injury on the job is clearly indicated, the employee will be placed on disability leave immediately. Where the illness or injury subsequently is determined to be non-service connected or of such a nature as not to require the employee to remain off of work, the employee will be returned to work but will be backcharged sick or annual leave for the period of time the employee was on disability leave. In cases where injury on the job is not clearly indicated, the process outlined in Administrative

Procedure 284 (Administration of Employee Leave) will be followed.

## **19. PERSONAL LEAVE**

Thirty-two (32) hours of paid personal leave per leave year -- including the four (4) hours granted in lieu of the former General Election Day holiday -- shall be granted to each employee eligible for annual leave. The personal leave day shall be requested and approved in advance of use. There shall be no accumulation of personal leave days and unused personal leave shall be forfeited at the end of the leave year or upon termination of employment.

## **20. ADDITIONAL LEAVE PROVISION**

A. When the County Executive closes the County offices for an entire day or any portion thereof, essential employees covered by the Salary Schedule will report to their established work sites and will be paid straight-time wages for hours worked on their regular work shifts. In addition, employees who work the 3:00 p.m. to 11:00 p.m. shift and the 11:00 p.m. to 7:00 a.m. shift shall be granted the same number of compensatory leave hours (not to exceed eight (8) hours per employee per twenty-four (24) hour period) as were granted in administrative leave to non-essential County employees. The 7:00 a.m. to 3:00 p.m. shift shall be granted compensatory time, hour for hour, from the time of closing to 3:00 p.m. For purposes of this Section, the County workday will be considered ended at 5:00 p.m.

B. If the employee is directed by the County to work any number of hours over and above the employee's regular work shift during the aforementioned twenty-four (24) hour period, the employee shall not be entitled to any additional grant of compensatory leave by virtue of the closing. Rather, the appropriate overtime rate, if any, shall apply to such hours.

C. Employees covered by this Salary Schedule who are assigned as Field Training Officers will receive forty (40) hours of compensatory time per academy class.

D. Compensatory leave earned pursuant to this Section shall be used in accordance with the terms of the Salary Schedule and applicable rules and regulations. If the County declares a State of Emergency on the weekend, then employees covered by this resolution will receive hour for hour compensatory time for each hour worked.

## **21. PGCOA LEAVE**

A. Members of the Board of Directors of PGCOA shall be granted administrative leave to attend Association Board Meetings. Also, members of PGCOA shall be granted administrative leave to attend conventions and conferences (including State seminars). In order to receive administrative leave to attend Board meetings, conventions and conferences, the Association must request the leave a reasonable period of time before it is to be used (in the case of conventions and conferences not less than ten (10) days before the leave is to begin). Requests for administrative leave under this Section are subject to the approval of the Director, with the understanding that the Director's approval will not be unreasonably withheld. Administrative leave to attend conventions and conferences shall be limited to no more than four (4) members on any one occasion, and leave to attend Board meetings shall be granted to up to nine (9) Board

members the second Wednesday of the month. Administrative leave will be granted to the Association and its members under this Section subject to the availability of hours in the PGCOA Leave Bank described below. If the meeting falls on the employee's regular day off, the employee will be given hour for hour compensatory leave.

B. Where PGCOA certifies (1) a list of employees covered by this Salary Schedule will automatically have annual leave, or County compensatory leave, deducted consistent with Section 13A-103(e) of the Labor Code (the County will deduct compensatory leave before using annual leave), and (2) the number of annual or compensatory leave hours to be transferred per employee will be four (4) hours semiannually (January and June), the County will accept that certification and will transfer up to a maximum of one thousand seven hundred fifty (1,750) annual or compensatory leave hours per fiscal year to a PGCOA leave bank of administrative leave. For each annual leave hour transferred to the leave bank, the County will credit to the bank an additional hour of administrative leave up to a combined total of three thousand five hundred (3,500) hours of administrative leave. Any hours remaining in the PGCOA leave bank at the end of the fiscal year shall be carried over for use in the next fiscal year.

C. Additional hours as submitted by its member shall go into the leave bank. Those additional hours may be used for PGCOA business on request to the Director and upon his/her approval (and such approval shall not be unreasonably withheld).

## **22. LEAVE FOR NEGOTIATIONS**

A. Employees (not to exceed eight (8) in number - six (6) plus one (1) alternate for each unit) who, upon the request of PGCOA are excused from their regular assignment on the day of negotiations to attend meetings with representatives of the County and/or to prepare for negotiations, shall suffer no loss of pay or leave. If the meeting falls on the employee's regular day off, the employee will be given hour for hour compensatory leave.

B. Members of PGCOA negotiating team (not to exceed eight (8) members) may be granted up to forty-eight (48) hours of administrative leave each to prepare for negotiations. The Association must request the leave from the Director in a reasonable period of time before it is to be used, and the request is subject to the Director's approval, which will not be unreasonably withheld.

C. The Director may, after the Association's request, grant additional leave to members of the negotiating team from the PGCOA leave bank described in Section 19, PGCOA Leave, to prepare for negotiations (and such approval shall not be unreasonably withheld).

## **23. PGCOA REPRESENTATION**

A. The PGCOA President or, in his or her absence, a duly designated acting President, shall not be assigned to duties for the Corrections Department but shall remain on the payroll of the Corrections Department for the purpose of performing full-time duties as PGCOA President. During this period, the President or, in his or her absence, a duly designated acting President, or any other officer assigned to work at PGCOA, shall continue to accumulate seniority and shall receive all benefits (for example, shift differential, if applicable) as if he/she were fully on duty

with the Department. Further, the PGCOA President or any other officer assigned to work at PGCOA will maintain the qualifications required for officers of his/her rank, which shall include, but are not limited to, the fulfillment of in-service training requirements and weapons qualification.

B. If the PGCOA President or, in his or her absence, a duly designated acting President, is absent from normal duties as PGCOA President or, in his or her absence, a duly designated acting President, because of illness, vacation, or other reasons not related to his/her duties as President or, in his or her absence, a duly designated acting President, he/she shall be placed in the appropriate leave status (sick, annual, etc.) for that period of absence.

C. If the PGCOA President or, in his or her absence, a duly designated acting President, is absent from normal duties on approved leave for a period of more than three (3) consecutive days, the PGCOA Board may designate in writing to the County a PGCOA member who shall act as PGCOA President in his/her absence. The County agrees that upon receipt of the written designation by the PGCOA Board, received at least five (5) working days in advance of the date the leave is to begin (emergencies excepted), the County will place on administrative leave the PGCOA member so designated by the PGCOA Board in lieu of the President for each day that leave is announced.

D. PGCOA shall have one (1) additional full-time member to assist the President. This member shall not be assigned to duties for the Corrections Department but shall remain on the payroll of the Corrections Department for the purpose of performing full-time duties for the Association.
