LEGISLATIVE HISTORY

BACKGROUND INFORMATION/FISCAL IMPACT (Includes reason for proposal, as well as any unique statutory requirements)

CB-90-1990 granted a tax credit authorized by Section 9-318 of the Tax-Property Article to the American Center for Physics. The American Center for Physics, Inc. is a Maryland corporation. The General Assembly passed subsequent authorization which was signed into law as Chapter 230 of the 1991 Laws of Maryland. The proposed legislation would grant a tax credit to the American Center for Physics, Inc. to the same extent granted by CB-90-1990.
