On October 18, 2022, the Chairman of the Prince George's County Planning Board transmitted correspondence with proposed legislation to advance the Maryland-National Capital Park and Planning Commission ("Commission") project of establishing a consolidated home in the form of a headquarters for the Prince George's County Planning Board, Prince George's County Planning Department, and Prince George's County Department of Parks and Recreation administrative offices through the acquisition of several properties in close proximity to the other County government agency office locations within the Largo Government Complex. Accordingly, the Commission seeks to acquire the properties located at 1601 McCormick Drive, 1616 McCormick Drive, and 1440 McCormick Drive, respectively, for purposes of founding a new administrative headquarters building. Included with the letter, and attached and incorporated as part of this Resolution, are several documents that explain the details of the project and its proposed plan for funding.

As reflected herein, this Resolution will approve the project in accordance with State law.

In addition, the Commission requests a modification to the approved FY 2022-2023 Annual M-NCPPC Budget in order to provide funding for the acquisition of the site and other project costs. As set forth in Titles 17, 18, and 22 of the Land Use Article, and in order to supply ample time for public notice and comment, this Resolution also declares the need for a public hearing on the proposed Commission budget modification herein and directs that said hearing be conducted on December 6, 2022, at 12:30 p.m.
