BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

During discussion of CB-51-2002 in a Committee of the Whole meeting on July 2, 2002, the Council indicated its support for the relocation of residential units to the A-44 right-of-way area impacting Fairwood. This resolution expresses the Council's support for the relocation of the units to the A-44 area and also recommends that the area on the Fairwood Property designated as being impacted by the A-44 facility not be required for dedication or placed in reservation at the time of preliminary subdivision plan approval for that portion of the Fairwood development.
