RE: CB-52-2024

Thank you for the opportunity to comment on this legislation. I suggest certain revisions, all technical in nature.

1. On page 1 Line 15 should be amended to delete "27-3400" and insert "24-3400".
2. On page 2, line 5 should be amended to either strike the comma after "for a qualified data center" or to strike the "is".
3. On page 2, line 11 should be amended to delete "approved" and insert "issued" as this is the terminology used in 24-4503(b)(3).
