This bill will authorize the appropriation of additional revenue from available and uncommitted fund balances to the Drug Enforcement and Education Special Revenue Fund resulting from forfeiture of assets seized by the Police Department or Federal agencies. A portion of the revenue will provide matching funds for Police Department grant programs and will support laboratory renovations and specialized equipment costs. This legislation will not affect the County's General Fund.

The Director of Finance has certified in writing that \$500,000 is available from fund balance for this appropriation.

There should not be any negative fiscal impact on the County as a result of enacting CB-67-2000.
