LEGISLATIVE HISTORY

Fiscal and Planning Committee Report Date: June 25, 1990

Committee Vote: Favorable, 4-0 (In favor: Council Members Castaldi,
Bell, Casula and Wineland).

The Office of Law and the Legislative Officer have reviewed this
legislation and find it to be in proper legislative form with no legal
impediments to its adoption.

The Director of Finance has certified in writing that adequate funds
are available for the supplemental appropriations.

The fiscal impact on the County will be negative in the amount of
\$277,467.

BACKGROUND INFORMATION/FISCAL IMPACT**(Includes reason for proposal, as well as any unique statutory requirements)**

This bill provides for the supplementary appropriation of Grant Program Funds to several agencies. The Grant Programs appropriation will increase by \$1,077,222 and the General Fund will increase by \$277,467.

The additional Grant Program Funds were not anticipated in the Approved Fiscal Year 1989-90 Budget. The amount of the General Fund appropriation increase is due to legislated matching local support to Grant Programs and to a mid-year expansion of After School Activity Centers for Substance Abuse Prevention.
