The Committee of the Whole convened on September 19, 2017, to consider CR-71-2017. The Council's Zoning and Legislative Counsel provided an overview of the legislation, stating that the legislation will approve waivers for 3 procurements that are subject to the County-based small business set aside requirement within Subtitle 10A of the County Code. The procurements included within CR-71 are for various public safety equipment, goods, and services with contract value of \$500,000.00 or less. After discussion by members, the Committee of the Whole voted 6-0 (Council Members Harrison, Patterson and Toles were absent from vote) for a favorable report and recommendation as to CR-71-2017.
