GENERAL PROJECT INFORMATION

Prince George's Arts and Humanities Council in partnership with Prince George's County Revenue Authority and University of Maryland Medical System is seeking to commission one artist or artist team to design, fabricate, and install artwork at the new University of Maryland Capital Regional Medical Center (UMCRMC) Parking Garage located at 900 Harry S Truman, Dr. North. Primary artwork will span the 7-story North, East, and West elevation and be visible from Medical Center Drive, Emergency Drive, and Lottsford Road. The artwork shall help establish an artistic sense of place for county residents and hospital visitors.

Telling Our Story

Leuterio Thomas has teamed with Walker Consultants LLC to design the 7-story parking garage for Prince George's County's new medical center. The parking structure holds approximately 1,100 vehicles. The color and texture of the pre-cast concrete play a big role in the design because of the intent of consistency and aesthetic coordination with the main hospital building and the surrounding neighborhood.
