Fiscal Policy and Government Operation Date: June 17, 1991

Committee Report

Committee Vote: Favorable, 3-0 (In favor: Council Members Wineland,

Fletcher and MacKinnon)

The following representatives from the Health Department were present for the worksession: Dr. Martin Wasserman, Health Officer; Art Thacher, Deputy Health Officer, James Dew, Acting Director of Environmental Health; and, Don Nork, Deputy Director of Environmental Health.

This resolution will amend Section 22-101.1 of the County code that provides for the fee schedule of onsite sewer disposal systems. The new fees proposed are listed on page 2 of the resolution and shall take effect on July 1, 1991.

Scavenger's License

from \$25 to \$50

Scavenger Vehicle Permit from \$25 to \$75/vehicle

Sewage Disposal System Permit from \$100 to \$175

Sewage Disposal Permit Renewal from \$10 to \$25

Percolation Test from \$50 to \$100

Comments were received from the following offices:

Office of Law - proper legislative form,

Office of Audits and Investigations - there should be a positive fiscal impact of approximately \$250,000 with the adoption of both CR- 54 & CB- 65, and

Office of Management and Budget - the anticipated increases have been incorporated in the revenue estimates included in the FY92 Approved Budget for the Health Department.

BACKGROUND INFORMATION/FISCAL IMPACT (Includes reason for proposal, as well as any unique statutory requirements)

This resolution will amend certain fees in the County Onsite Sewer Disposal Regulation.
