The Prince George's County Government Operations and Fiscal Policy Committee convened on June 13, 2023, to consider CR-049-2023, which is a Resolution for the purpose of adjusting the number of positions in certain grades in the Office of Central Services, Department of the Environment, Office of Law, Fire/EMS Department, Circuit Court, Department of Public Works and Transportation, and the Department of Family Services.

The Budget and Policy Analysis group advises there is no impact on expenditures as adjustments of position grades are accounted for in the budget.

The Office of Law finds CR-049-2023 to be in proper legislative form with no legal impediments to its adoption.

The Government Operations and Fiscal Policy Committee reported CR-049-2023 out favorably, 4-0.
