COMMITTEE REPORTS:

HEALTH, EDUCATION AND HUMAN SERVICES COMMITTEE

Date 7/17/2008

Committee Vote: Favorable, 3-0 (In favor: Council Members Campos, Bland and Harrison)

Staff summarized the purpose of the legislation and informed the committee of written referral comments that were received. CB-49-2008 repeals the current use and occupancy permit limitations to weekend and holiday dates of operation for farmer's and flea markets in the County. The proposed legislative amendment permits operation of these markets during daylight hours on the days specified in the individual permit applications and approved by the Department of Environmental Resources.

The sponsor indicated that CB-49-2008 is the result of review and efforts to implement CB-12-2008. CB-12 established a permit fee for seasonal food service facility vendors in County-based farmer's markets. The Chief Protection Food Program, Health Department, indicated that legislating the requirements allows for all impacted agencies to work together.

The Office of Law indicated that on page 1, line 6 the Code Section should be 27-"261" and not "161". The technical

amendment was made in Committee. Since CB-49-2008 went straight to introduction, after the public hearing, an amendment sheet will be presented at the July 23, 2008 Council meeting.

The Office of Audits and Investigations determined that there will not be a negative fiscal impact on the county if enacted.

BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)
