### AFFECTED CODE SECTIONS:

01-117

### BACKGROUND INFORMATION/FISCAL IMPACT:

Section 1-117 of the County Code (Interpretation of Section Numbers.) specifies the formatting for section numbers throughout the County Code. This format is incompatible with the formatting proposed by the consultant team, Clarion Associates, for the County's new Zoning Ordinance and Subdivision Regulations.

In order to provide the legal flexibility necessary to adopt Clarion's recommended best practice outline format, should the District Council choose to approve the new Zoning Ordinance and Subdivision Regulations, a revision to Section 1-117 is necessary.
