Department of Housing and Community Development staff provided updates since the September 10, 2009 Committee meeting and requested two amendments in the attachments to CR-46-2009.

The Transportation, Housing and Environment Committee reviewed the Annual Action Plans reallocations and proposals reflected in CR-46-2009. Attachment B was amended for McGuire House Demolition having \$125,288.98 available for reprogramming to \$72,423.58. There was also a technical amendment to delete page 10 of Attachment B from the original resolution as it was a duplicate of page 9 for Walker Mill CDC. For additional information, Attachment B has been provided which shows the amendments.

September 10, 2009

Staff explained the purpose of CR-46-2009. The public hearing on CR-46-2009 was held on September 9, 2009. Department of Housing and Community Development staff provided an overview of the decision process in restructuring and reprogramming funds in each of the Annual Action Plan years.

Several Council Members requested information from the County Executive's staff regarding the possible use of reprogrammed CDBG funds for workforce retraining and education. The Committee decided to hold the resolution pending this discussion.

The Office of Audits and Investigations found the adoption of CR-46-2009 would not have an adverse financial impact on the County as no County funds are utilized. The Office of Law found CR-46-2009 in proper legislative form and found no impediment to its adoption.
