## VISION STATEMENT

**Building a **connected**, countywide **comprehensive** youth sports system that is grounded in **equity** and **accessibility** while supporting the **positive character** and **skill development** of young people within Prince George's County**

**Commit  
to Equity**

**1**

**Assure  
Quality in All  
Levels  
of Service**

**2**

**Build and  
Maintain  
Relationships**

**3**

**Commit to Equity**

Goal	Action/Initiative
Intentionally develop strategic partnerships to increase accessibility of offerings and expand the capacity to deliver needed programs to the County	Assign staff to collaborate with Resource Development Unit to research, analyze, and build feasible internal and external program and financial aid partnerships
Expand facility inventory through community partnerships	Expand current agreement with PGPCS to allow comprehensive facility access
Support training/credentialing for career, seasonal and volunteer staff prior to sports programming facilitation Each YCSD coordinator or specialist to ensure that all staff/coach/instructor meets requirements	Develop a standardized coach/instructor training curriculum which includes DEI components
Program for the development of the whole youth, using sports as a framework	Create service, volunteer and paid opportunities for youth

**Assure Quality in All Levels of Service**

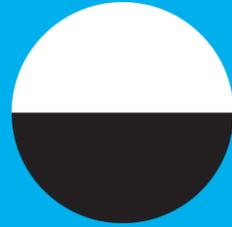

Create a consistent, Division-wide approach to providing a pleasurable and seamless customer experience for patrons/users/residents	Develop specific Standard Operating Procedures (SOP) for all programs that define operational guidelines and protocols for service delivery
Provide all YCSD staff, coaches and volunteers with easy access to essential departmental information	Establish a regular schedule of check-ins and sharing sessions with internal staff and coaches/volunteers for consistent and continuous messaging of division information
Develop consistent, articulated and accessible service guidelines for programs and staff at all levels to ensure positive experiences for participants	Issue annual report of programs and facilities
Design and managed facilities with customer experience as a priority	Ensure that YCSD has representation during the planning and implementation process of a facility.

**Build and Maintain Relationships**

Create a clear point of contact for each service and an understanding of chain of command, both for internal staff and external stakeholders	Include organizational information on website (leadership) to show who's in responsible, including photo, brief description of role
Establish consistent meeting schedule with external stakeholders	Schedule mandatory quarterly meetings
Formalize current partnerships to ensure all parties are operating from a clear understanding of delivery requirements	Articulate Community Connect tool and its usefulness as part of YCSD

Service Delivery Model

# Youth Sports Program Delivery Model

***The Department does and should play each of four core roles:***

- ***Partner***
- ***Provider***
- ***Facilitator***
- ***Resource***

*Within each sport, a definition of which role it plays with each relationship according to each role's criteria.*

## ***1. Partner***

*A specific Department resource (i.e., staff, facility, expertise, funding, etc.) is used in a collaborative relationship with one or more other entities to provide a sport opportunity*

## ***2. Provider***

*Permit Department facilities for other sport groups to use for sport provision*

## ***3. Facilitator***

*Department leads the entire sport experience, with County-trained coach/instructors/volunteers, from program development to implementation. This includes sport exploration and skill-building opportunities, league play, clinic, and competitions.*

## ***4. Resource***

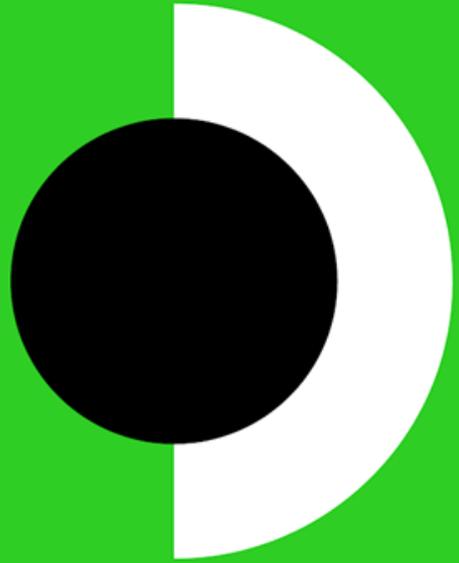

*Department provides coach/instructor training, a central database of all sport opportunities, and leads county-wide collaboration between providers*

# Youth Sports Program Delivery Model

## ***Administration***

- *(Internal) YCSD provides centralized youth sports oversight for the Department*
  - *Consistent, quality experience*
  - *Reduce internal competition, duplication*
  - *Promotes flexible resource allocation*
  
- *(External) YCSD serves as Youth Sports Community Partner Liaison Supports Partner and Resource roles*
  - *Manages preferred provider requirements*
  - *“Switchboard operator” for all-things-sports*
  
- *Requires an additional Full-Time position*

Recommendations

# SERVICE LEVELS

- Levels 1, 2 and 3
  - Rectangular
  - Diamond

# FACILITY GAP ANALYSIS OUTCOMES

- Service Level Improvements
  - High Priority
  - Low Priority
  - Limited potential for expanded programming

# Northern and Southern Regions Parks Divisions

- Parks Divisions created in 2021 with new, dedicated “ballfield teams”
- Partnered with Mid Atlantic Sports Turf Manager’s Association to develop Best Management Practices (BMPs)
- Implemented an objective athletic field evaluation tool known as Playing Conditions Index

**Tucker Road #2 – Before and After**

# GROW IN PLACE

Prioritize Repurposing Existing Facilities  
Over Acquiring New

# GROW IN PLACE MODEL

- Using identified gaps in service levels, this model prioritizes repurposing of existing facilities to meet the needs of the community and to create equity of access for youth sports participation throughout Prince George's County.
- Expanded, shared use of **PGPCS** facilities is also crucial to model implementation.

*Example high priority / service level upgrade*

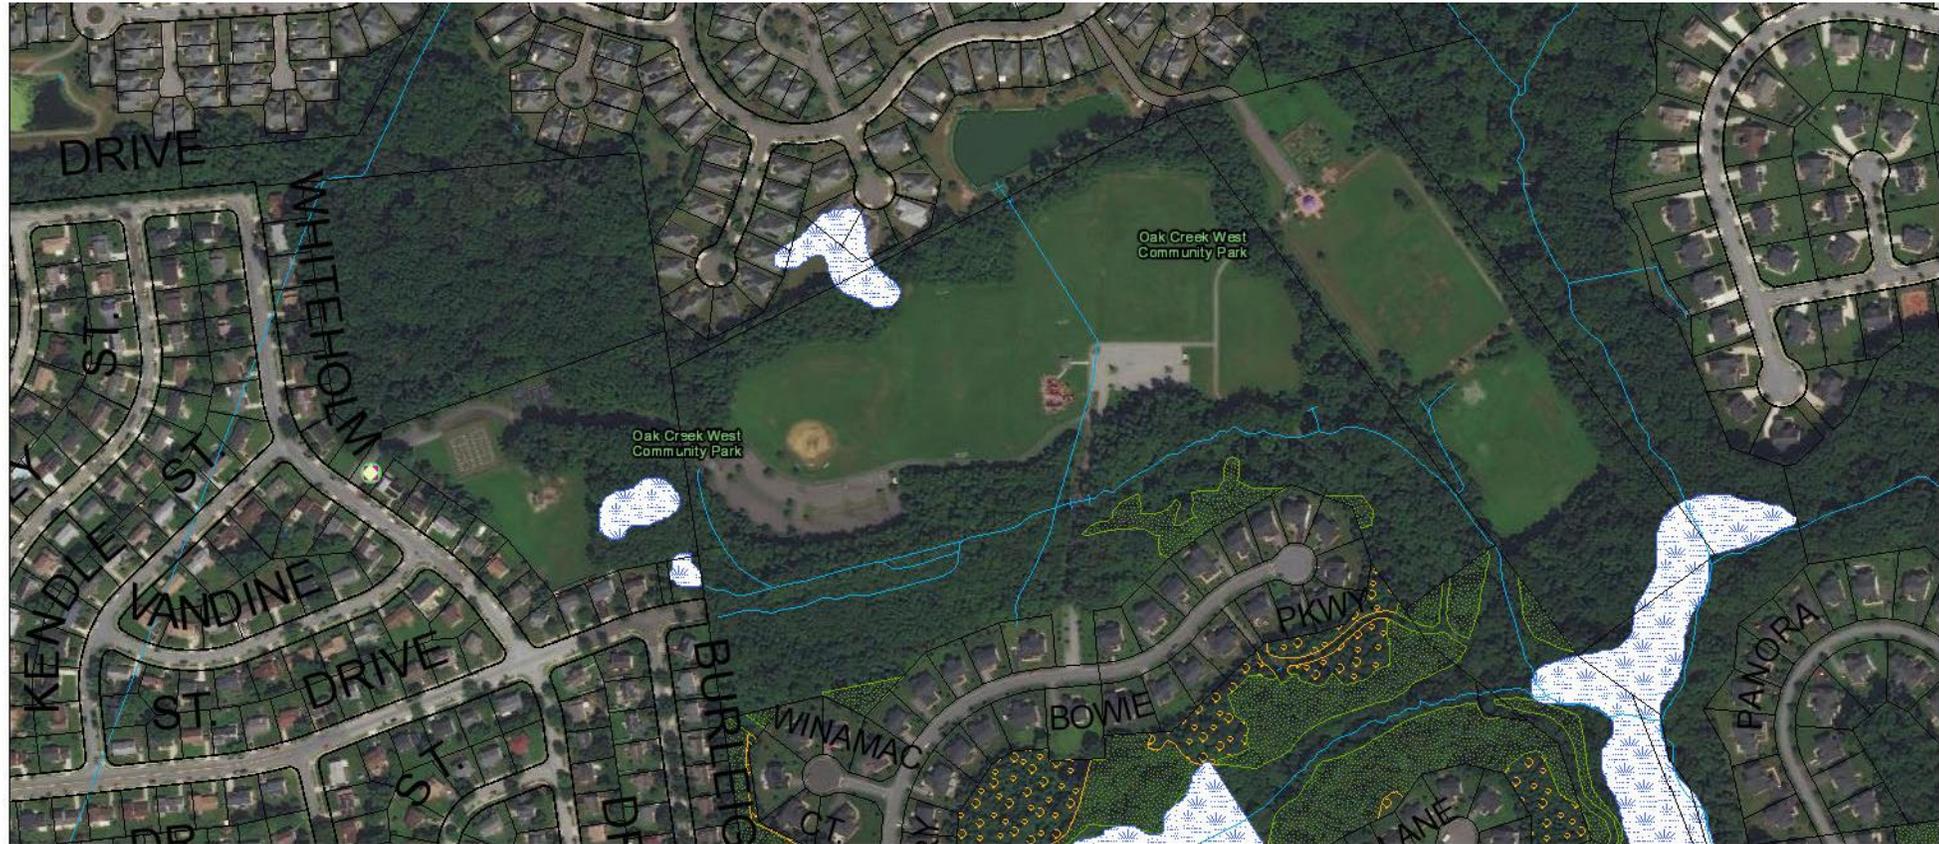

## **OAK CREEK WEST PARK, UPPER MARLBORO, MD**

*Suggested Upgrades and Improvements:*

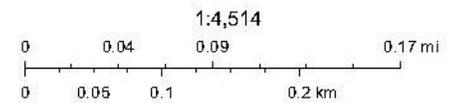

- *Potential site for redevelopment and reorganization to increase programming*
- *Potential site to locate a cricket pitch(s)*
- *Provide additional parking to support any additional fields (assume 25-30 spaces per field)*
