

HOUSING OPPORTUNITIES FOR ALL WORKGROUP MEETING #19

December 17, 2021 | 10.30 AM - 12.30 PM

By the end of this meeting, we will have:

- Agreement on the overarching policy priorities to guide detailed housing production targets.
- A shared understanding of the key shifts needed to achieve Prince George's County's detailed housing production targets.
- A list of potential tools (policies, financial resources, programs) that would enable Prince George's County to achieve its detailed housing targets.
- Agreement on models for a permanent housing advisory board in Prince George's County and the key decision points to define further at future workgroup meetings.

AGENDA

- 10.30 AM Welcome from co-chairs & roll call**
Councilmember Dannielle Glaros, Prince George's County Council
Aspasia Xypolia, Director, Department of Housing and Community Development
- 10.40 AM Meeting overview & November 2021 meeting recap**
- 10.50 AM Housing production targets: Numerical goals & ways to achieve them**
This agenda item will outline recent development trends; estimated pipeline of new rental and for-sale units; and how the policy priorities housing production targets relate to them. It concludes with a brainstorming activity to identify the major changes needed to achieve Prince George's County's detailed targets and ways to pursue these changes.
- 11.30 AM Permanent housing advisory board: Two models to define**
This agenda item will review the two models for a permanent housing advisory board, based on input from the November 2021 workgroup meeting: 1) Housing Policy & Implementation Advisory Board and 2) Tenant-Landlord Commission. Discussion will check for overall agreement on recommending these two models, and time permitting, start to define their roles.
- 12.10 PM Housing in Prince George's County: A Year in Review**
The Housing Opportunities for All co-chairs will share some of their housing-related highlights of 2021, followed by meeting participants to share their highlights and feedback for the workgroup's final set of meetings in 2022.
