

Angela D. Alsobrooks
County Executive

PRINCE GEORGE'S COUNTY GOVERNMENT

OFFICE OF THE COUNTY EXECUTIVE

March 25, 2022

The Honorable Calvin S. Hawkins, II
Chairman
Prince George's County Council
County Administration Building
Upper Marlboro, Maryland 20772

Dear Chair Hawkins:

Enclosed is a Bill for consideration by the Prince George's County Council. The County seeks to amend the code by changing the composition of the Solid Waste Advisory Resource Management and Recycling Commission. Specifically, the County seeks to reduce the number of members from 15 to 9 to ensure we can recruit and retain a fully functioning body, able to reach a quorum and hold formal meetings- such that they are able to provide community input, guidance and advice to the County Executive and County Council on matters relating to solid waste management within the county. Members of the Commission provide a critical service, including reviewing and offering recommendations on systematic programs and alternative methods, both public and private, for storage, collection, transportation, processing, disposal and resource recovery of solid waste.

The Council's favorable consideration of this Bill is greatly appreciated. Should you have any questions, please feel free to contact my office or Andrea L. Crooms, Esq., Director, Department of the Environment, at (301) 883-5812.

Sincerely,

Angela D. Alsobrooks
County Executive
