**REPORT:** Favorable as amended 5-0: Council Members Burroughs, Franklin, Ivey, Turner, and Streeter.

The Prince George's County Council's Government Operations and Fiscal Policy Committee convened on October 13, 2022, to consider CR-115-2022. CR-115-2022 is a resolution regarding the Local Impact Grant (LIG) Funds Multiyear Plan.

Pursuant to CB-088-2015, subsequent to the local development council's review, comment, and recommendations on the multiyear plan, the County Executive shall transmit the multiyear plan to the County Council for review and approval by resolution. Therefore, the plan requires final approval by the County Council.

The enclosed plan specifies the use of LIG funds from Fiscal Years 2023 – 2025. The plan is consistent with the uses outlined in State Government Article, Section 9-1A-31, by which the LIG funds "shall be used for improvements in the communities in the immediate proximity of the video lottery facilities and may be used for the purposes of infrastructure improvements, facilities, public safety, sanitation, economic and community development, including housing and other public services and improvements."

Council Member Burroughs worked diligently and collaboratively over the past several months with members of the Local Development Council and the County Executive's Office to modify the spending plan.

A newly revised Attachment A is included, which reflects the revised spending plan.

The Office of Law reports CR-115-2022 to be in proper legislative form with no impediments to its adoption.

After discussion, The Government Operations and Fiscal Policy Committee reported CR-115-2022 out favorably with amendments, 5-0.
